The Managing Director,

Dear Aman,

I am writing to formally submit my resignation from the position of Executive Director at Torrent Pharma. The decision has been made after thoughtful reflection, and while it is a difficult step given I have thoroughly enjoyed my role in Torrent, I believe it is the right time to transition.

I would like to express my sincere gratitude to the management and my colleagues for the continued support, trust, and cooperation extended to me throughout my association with the Company, including during my extended tenure beyond superannuation. The experience, responsibilities, and opportunities entrusted to me over the years have been immensely valuable and have contributed meaningfully to my professional and personal journey.

I remain deeply grateful for the opportunity to have been a part of the Company and will always value the relationships, experiences, and memories gained during my tenure. I remain fully committed to support a smooth transition and complete all handover formalities.
