Ahmedabad, November 04, 2026: Torrent Power Limited (the "Company") today announced financial results for the quarter and six months ended September 30, 2026.

Company delivered strong operational performance during the quarter, resulting in adjusted EBITDA growth of 29% during the quarter, driven by robust performance across its distribution and renewable energy businesses, along with consolidation of Nabha Acquisition. Adjusted EBITDA includes impact of ₹54 Crs of principal recovery relating to Nabha acquisition, recognised in the balance sheet in line with applicable lease accounting principles.

Company reported incremental TCI of ₹105 Crs for the quarter, primarily attributable to:

- ⇧ Improved operational performance across the Company's distribution businesses.
- ⇧ Improved performance of renewable portfolio, driven by higher plant load factors and contribution of projects commissioned.
- ⇧ Increase in contribution due to acquisition of Nabha.
- ⇩ Higher finance costs resulting from increased borrowings.

About Torrent Power:

Torrent Power, the ₹28,966 Crs integrated power utility of approx. ₹50,000 Crs Torrent Group, is one of the largest companies in the country's power sector with presence across the entire power value chain – generation, transmission and distribution.
