“We are very happy to win such prestigious awards that reaffirms our customer’s faith and confidence in us and reinforces our efforts to add more and more value in the services that we offer. We are confident that going forward with a very competent team we would be able to achieve many more such milestones. These performances have been trademark and our biggest strength which has led to increased confidence of clients leading to a continuous appreciation.

I would like to thank the entire team of Total Transport for all the hard work that everyone has put in to achieve this remarkable feat.”

Company Overview:

Established in 1994, Total Transport Systems Ltd is a well-established company in India’s cargo market. Through a robust network of partners, the Company has made a strong foothold in the logistics market in the country.

Total specializes in logistics business keeping a focus on our core business activities namely consolidation of Export cargoes, deconsolidation of import cargoes, full container loads and air freight from India to worldwide destinations. As a non-vessel Operating Common Carrier, the Company’s consolidated shipping is rated among the top customers of almost all leading shipping lines operating in the region. This reputation has ensured the Company’s competitive rates & space with major liners for consolidated shipments on a regular basis. The Company specializes in the business of Airfreight, FCL & LCL Forwarding for both exports and imports. TTSL has sizeable market share in India’s LCL segment and the company is one of the market leaders in cargo consolidation. In addition to such services, Total continues to focus on timely delivery, diversification of its service portfolio, sustained long-term relationships with its clients, and extending value-added services over and above simple logistics.

The Company is equipped with a Multi-Modal Transport Operator’s License for servicing its customer’s requirements. It also has a Federal Maritime Commission (FMC) license. These licenses help the Company scale new businesses and geographies. These efforts have enabled the Company to win long running contracts as well as garner accolades in the industry as amongst the best groupage traffic in India. Moreover, the Company is well-positioned to leverage the changing trends in the logistics industry. It represents world’s 5th largest consolidators network named “I Cargo Alliance” with 166 offices in 89 countries.
