Re:- Clarification/reply letter on "No Segment Reporting"

Dear Sir/Ma'am,

Apropos the above, we wish to submit that the objective of segment reporting is to provide financial information on **different business activities** that the entity engages in and different economic environment under which it operates to help users of financial statement to:
(a) Better understand the entity's performance.
(b) Better assess in prospects for future net cash flows
(c) Make more informed judgments about the company as a whole.

In reply to the above raised deficiency, we would like to submit that we, Touchwood Entertainment Limited are engaged in **only one business activity i.e. Event Management** therefore, requirement of **Segment reporting is not applicable** on us as it is applicable only when the entity is engaged in different business activities.

Kindly take the above on record and oblige.

Thanking you.
Yours faithfully,
For Touchwood Entertainment Limited
