SEBI/HO/CFD/ CMD1/ CIR/P/2020/79 dated 12 May 2020, Circular no. SEBI/ HO/ CFD/CMD2/CIR/P/2021/11 dated 15 January, 2021 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13 May, 2022 and SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 5, 2023 in relation to "Relaxation from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015" (collectively referred to as "SEBI Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars and SEBI Circulars, the AGM of the Members of the Company is being held through VC / OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. An Explanatory Statement setting out the material facts, pursuant to Section 102 of the Companies Act, 2013 ("Act") and applicable Secretarial Standard, relating to Special Business to be transacted at the AGM, is annexed to the Notice. Additional information, pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("SEBI Listing Regulations") and Secretarial Standard - 2 on General Meetings, issued by The Institute of Company Secretaries of India, in respect Of Director retiring by rotation seeking re-appointment at this Annual General Meeting ('Meeting' or 'AGM') is furnished as **Annexure-I** to this Notice.
3. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC or OAVM, the requirement of physical attendance of members has been dispensed with. Accordingly, in terms of the MCA Circulars, the facility for appointment of proxies by the members will not be available for this AGM and hence the proxy form, attendance slip and route map of AGM are not annexed to this notice.
4. Institutional / Corporate Members are required to send a scanned copy (PDF/JPG format) of its Board or governing body resolution / Authorization letter etc. authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting at least 48 hours before the AGM. 5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.
6. In case of joint holders attending the AGM, only such joint holder who is higher in the order of the names as per the Register of Members of the Company, as of the cut-off date, will be entitled to vote at the Meeting.
7. In accordance with the MCA Circulars and SEBI Circulars, the Notice of AGM and the Annual Report are being sent electronically to Members whose e-mail addresses are registered with their respective depository participant(s). Members who have not yet registered their e-mail addresses are encouraged to do so with their depository participant(s). For any assistance, Members may contact us at [cs@touchwood.in](mailto:cs@touchwood.in) via email.

8. Pursuant to Section 91 of the Companies Act, 2013 and Rule 10 of the Companies (Management and Administration) Rules, 2014 read with Regulation 42 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Register of Members and Share Transfer Books of the Company will remain closed from Saturday, September 20, 2025, to Friday, September 26, 2025 (inclusive of both days).
9. The Notice convening the AGM has been uploaded on the website of the Company at [www.touchwood.in](http://www.touchwood.in), and can also be accessed from the relevant section of the website of the Stock Exchange i.e. National Stock Exchange of India Limited at [www.nseindia.com](http://www.nseindia.com). The AGM Notice is also available on the website of NSDL at <https://www.evoting.nsdl.com>
10. In accordance with Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended, and Regulation 44 of the Listing Regulations, the Company is pleased to offer Members the facility to vote on the resolutions proposed at the AGM through electronic means. The Company has entered into an agreement with National Securities Depository Limited (NSDL) to facilitate electronic voting, acting as the authorized agency. Members will have the option to cast their votes using the remote e-voting system, as well as at the AGM venue on the date of the meeting. Members whose names appear in the Register of Members or in the list of Beneficial Owners as of Friday, September 19, 2025, being the cut-off date prior to the commencement of book closure, are entitled to vote on the resolutions outlined in this Notice.
11. Any person, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request to Registrar. However, if he/she is already registered with Registrar for remote e-voting then he/she can use his/her existing User ID and password for casting the vote.
12. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date.
13. The remote e-voting period will commence at 09:00 A.M., on September 23, 2025 and will end at 05:00 P.M. on September 25, 2025.
14. Members who are present in the meeting through VC/OAVM and have not casted their vote on resolutions through remote e-voting, shall be allowed to vote through e-voting system during the meeting.
15. The Members who have casted their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC / OAVM but shall not be entitled to cast their vote again.
16. The Company has appointed Mr. Advitiya Vyas, Practicing Company Secretary, to act as the Scrutinizer, to scrutinize the entire e-voting process in a fair and transparent manner. The Members desiring to vote through remote e-voting are requested to refer to the detailed procedure given hereinafter.
17. The Register of Directors and Key Managerial Personnel and their Shareholding maintained under Section 170 of the Companies Act, 2013 and the Register of Contracts or arrangements in which Directors are interested under Section 189 of the Companies Act, 2013 will be available for inspection in electronic mode. Members can inspect the same by sending an e-mail to [cs@touchwood.in](mailto:cs@touchwood.in)
18. Any Member desirous of receiving any information on the Financial Statements or Operations of the Company is requested to forward his/her queries to the Company at least seven working days prior to the AGM through e-mail on [cs@touchwood.in](mailto:cs@touchwood.in). The same shall be replied by the Company suitably.
19. As per Regulation 12 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Schedule I to the said Regulations, it is mandatory for all the Companies to use bank details furnished by the investors for distributing dividends, interests, redemption or repayment amounts to them through National/Regional/Local Electronic Clearing Services (ECS) or Real Time Gross Settlement (RTGS) or National Electronic Funds Transfer (NEFT), National Automated Clearing House (NACH) wherever ECS/RTGS/NEFT/NACH and bank details are available. In the absence of electronic facility,

Companies are required to mandatorily print bank details of the investors on 'payable at- par' warrants or cheques for distribution of Dividends or other cash benefits to the investors. In addition to this, if bank details of investors are not available, Companies shall mandatorily print the address of the investor on such payment instruments.

20. Shareholders who have not registered their e-mail addresses so far, are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars etc. from the Company electronically.
21. Members desirous of making a nomination in respect of their shareholding, under Section 72 of the Companies Act, 2013, are requested to send their request to [cs@touchwood.in](mailto:cs@touchwood.in) in the prescribed form.
22. SEBI vide its circular dated 5 January 2022, as amended, has mandated Listed Companies to issue securities in demat form only while processing service request viz., issue of duplicate share certificates, claim from unclaimed Suspense Account, renewal/exchange of share certificate, endorsement, sub-division, split of share certificate, consolidation of folio/certificates, transmission and transposition. Thus, Members are requested to make service request by submitting a duly filled and signed Form ISR-1, ISR-2, ISR-3, ISR-4, SH-13 the format of which is available on the Company website [www.touchwood.in](http://www.touchwood.in). It may be noted that service request can be processed only after the folio's KYC compliant as above. For any assistance in this regard, members may contact the RTA.
23. SEBI vide its Master Circular No. SEBI/HO/MIRSD/ POD-1/9/CIR/2023/70 dated 17 May 2023 has inter alia complied the provisions of the Circular SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated 16 March 2023 and has made it mandatory for all holders of Physical securities in listed companies to furnish PAN, Nomination/Declaration to opt-out of Nomination, Contact details, Bank Account details and Specimen Signature to the Company/RTA of the Company.
24. As a part of 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic

form and with the Registrar and Share Transfer Agent ("RTA") in case the shares are held by them in physical form.

25. Electronic copy of the Notice of the AGM of the Company inter alia indicating the process and manner of remote e-voting is being sent to all Members whose email IDs are registered with the Company/Depository Participant(s) (DP) for communication purposes. For Members holding shares in physical mode and who have not updated their email addresses with the Company are requested to update their email address by writing to [cs@touchwood.in](mailto:cs@touchwood.in) to receive Annual Report. Members holding shares in dematerialized mode and who have not registered their email address are requested to update their email address with the relevant DP to receive Annual Report.
26. Members holding shares in demat form are requested to update their bank account details with their respective Depository Participant. The Company or RTA cannot act on any request received directly from the Members holding shares in demat form for any change of bank particulars. Such changes are to be intimated only to the Depository Participants of the Members. Further instructions, if any, already given by them in respect of shares held in physical form will not be automatically applicable to shares held in the electronic mode or vice versa.  
  
Effective 1 April 2024, SEBI has mandated that the shareholders, who hold shares in physical mode and whose folios are not updated with any of the KYC details viz., (i) PAN (i) Choice of Nomination (iii) Contact Details (iv) Mobile Number (v) Bank Account Details and (vi) Signature, shall be eligible to get dividend only in electronic mode. Accordingly, payment of dividend, subject to approval at the AGM, shall be paid to physical holders only after the above details are updated in their folios. 16 March 2023 and has made it mandatory for all holders of Physical securities in listed companies to furnish PAN, Nomination/Declaration to opt-out of Nomination, Contact details, Bank Account details and Specimen Signature to the Company/RTA of the Company.

28. Electronic copy of the Notice of the AGM of the Company inter alia indicating the process and manner of remote e-voting is being sent to all Members whose email IDs are registered with the Company/Depository Participant(s) (DP) for communication purposes. For Members holding shares in physical mode and who have not updated their email addresses with the Company are requested to update their email address by writing to [cs@touchwood.in](mailto:cs@touchwood.in) to receive Annual Report. Members holding shares in dematerialized mode and who have not registered their email address are

requested to update their email address with the relevant DP to receive Annual Report.

29. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. During the year under review there is no amount to be transferred to IEPF as the period of seven years has not elapsed.

Following table provides the dates on which unclaimed dividend and their corresponding shares would become liable to be transferred to the IEPF:

Financial Year	Date of declaration of dividend/ interim dividend	Amount of unpaid dividend as on 31st March, 2024 (in Rs.)	Due Date For transfer to IEPF
2018-19	30 <sup>th</sup> July, 2019	27,900.00	3 <sup>rd</sup> September, 2026
2019-20	2 <sup>nd</sup> November, 2019	5475.20	7 <sup>th</sup> December, 2026
2020-21	17 <sup>th</sup> November, 2021	4044.84	22 <sup>nd</sup> December, 2028
2021-22	28 <sup>th</sup> September, 2022	5231.55	2 <sup>nd</sup> November, 2029
2022-23	29 <sup>th</sup> September, 2023	9469.90	29 <sup>th</sup> October, 2030
2023-24	27 <sup>th</sup> September, 2024	11,123.20	27 September 2031

Members are requested to claim their dividends for these years, if not already done.

Members may note that the Income Tax Act, 1961 ("Income Tax Act"), as amended by the Finance Act, 2020, mandates that Dividends paid or distributed by a Company after the 01st April, 2020 shall be taxable in the hands of Members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of final dividend. In order to enable Company to determine the appropriate TDS rate as applicable, Members are requested to verify the correctness of the records (including residential status and PAN) and update the same with your depositories (where shares are held in dematerialized mode) and with the Company's RTA (where shares are held in physical mode). Also submit the documents/declarations as prescribed in accordance with the provisions of the Act.

**For Resident Members**, taxes shall be deducted at source under Section 194 of the Income Tax Act, as follows:

Shareholders having valid PAN	10% or as notified by the Government of India
Shareholders not having PAN or invalid PAN	20%

However, no tax shall be deducted on the dividend payable to a resident individual Member if the total dividend to be received by them during FY 2023-24 from the Company does not exceed Rs. 5,000, and also in cases where Members providing Form No 15G/Form 15H (applicable to an individual age of 60 years or more) subject to conditions specified in the Act and other applicable sections of the Act by email to [cs@touchwood.in](mailto:cs@touchwood.in).

**Note:-** If a shareholder holds multiple demat account having single PAN in that case if the aggregate amount of dividend of all the demat account exceeds Rs 5000/- the TDS shall be deducted on the entire amount of dividend.

Resident Members may also submit valid document as prescribed under the Income Tax Act to claim a lower/ Nil withholding tax. PAN is mandatory for Members while providing Form No.15G/15H or any other document as mentioned above. Resident Non-Individual Members (who are exempt from TDS under Section 194 of the Income Tax Act or covered under Section 196 of the Income Tax Act) are required to submit self-attested copy of the valid documentary evidence and declaration to avail such exemption under the Act.

**Deduction of Tax at Higher rates in case of non-filers of returns (Section 206AB)**

With effective from July 1, 2021, new section is introduced, and the tax shall be deductible at the higher rates prescribed under this provision if the following conditions are satisfied:

Deductee (shareholder) has not filed the return of income for the assessment year relevant to the previous year immediately prior to the previous year in which tax is required to be deducted, for which the time limit for furnishing the return of income under sub-section (1) of section 139 has expired; and the aggregate amount of tax deducted and collected at source is Rs.50,000 or more in the said previous year.

Provided that the specified person shall not include

- i. a non-resident who does not have a permanent establishment in India or
- ii. a person who is not required to furnish the return of income for the assessment year relevant to the said previous year and is notified by Central Government in the Official Gazette in this behalf.

**Rate of TDS:**

The tax shall be deducted at the higher of the following rates:

- Twice the rate specified in the relevant provision of the Act (Rate specified u/s 194 is 10%)
- Twice the rate or rates in force; or
- 5%

Members may also note that linking Aadhaar with PAN is mandatory. In case the Aadhaar is not linked with PAN, such Pan shall be deemed as Invalid & TDS will be deducted at a higher rate of 20% instead of the applicable rate.

**FOR PERSON HOLDING SHARES ON BEHALF OF REGISTERED SHAREHOLDER OR ACTING AS CUSTODIAN (DECLARATION UNDER RULE 37BA OF IT RULES, 1962)**

In case dividend income under the provisions of the Act is chargeable to tax in hands of any person (holding shares on behalf of registered shareholders or acting as a custodian) other than the Registered Shareholder, then, a declaration to that effect is required to be submitted in terms of section 199 of the Act read with Rule 37BA of the Income Tax Rules, 1962 (format attached herewith). On such submission, the Company will deduct tax in the name of such person, which would be due compliance of law on the part of the Company.

**For Non-Resident Members,** taxes are required to be withheld in accordance with Section 195 and other applicable sections of the Act. For FPI/FIL, TDS shall be at the rate of 20% (plus applicable surcharge and cess) as per Section 196D of the Income Tax Act. For other nonresident Members, the TDS shall be at the rate of 20% (plus applicable surcharge and cess) or as per Section 90 of the Income Tax Act. an option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA, other non-resident Members will have to provide the following:

- i. Self-attested copy of the PAN Card allotted by the Indian Income Tax authorities.
- ii. Self-attested copy of Tax Residency Certificate (TRC) for FY 2023-2024 obtained from the revenue authorities of the country of tax residence of Members.
- iii. Self-declaration Form 10F.
- iv. Self-declaration by the Member of having no taxable presence or a fixed base/Permanent Establishment in India.
- v. Self-declaration of Beneficial ownership by the Member, and eligibility to claim treaty

- vi. benefit, which is not impaired in any manner.
- vii. Any other documents as prescribed under the Act for lower withholding of taxes, if applicable duly attested by the shareholder.

In case of Foreign Institutional Investors (FII) / Foreign Portfolio Investors (FPI), tax will be deducted under Section 196D of the IT Act at the rate of 20%\*\* (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents, if applicable.

\*\* As per the Finance Act, 2021, Section 206AB has been inserted effective July 1, 2021, wherein the higher rate of tax (twice the specified rate) would be applicable on payment made to a shareholder who is classified as 'Specified Person' as defined under the provisions of the aforesaid Section. However, in case of a non-resident shareholder or a non-resident FPI / FII, the higher rate of tax as mentioned in section 206AB shall not apply if such non-resident does not have a permanent establishment in India

30. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, unblock the votes cast through remote e-voting (votes cast during the AGM and votes cast through remote e-voting) and make, within two working days of conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, and submit to the Chairman or a person authorized by him in writing, who shall countersign the same.
31. The result declared alongwith the Scrutinizer's Report shall be placed on the Company's website [www.touchwood.in](http://www.touchwood.in) and on the website of NSDL [www.evotingindia.com](http://www.evotingindia.com) immediately. The Company shall simultaneously communicate the results to National Stock Exchange of India Limited, where the shares of the Company are listed.
32. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
33. Subject to receipt of requisite number of votes, the resolutions shall be deemed to be passed on the date of the meeting i.e. **September 26, 2025.**

#### **THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING ARE AS UNDER: -**

**The remote e-voting period begins on 9:00 A.M. on Tuesday, September 23, 2025 and will end on 5:00 P.M. on Thursday, September 25, 2025. ## **EXPLANATORY STATEMENT**

### **(Pursuant to Section 102 of the Companies Act, 2013 read with Companies (Management & Administration) Rules, 2014)**

#### **ITEM NO. 3:**

In accordance with the provisions of Section 204 and other applicable provisions of the Companies Act, 2013, read with Rule 9 of the Companies (Appointment & Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) ('the Act'), every listed company and certain other prescribed categories of companies are required to annex a Secretarial Audit Report, issued by a Practicing Company Secretary, to their Board's report, prepared under Section 134(3) of the Act. Furthermore, pursuant to recent amendments to Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), every listed entity and its material Subsidiaries in India are required to conduct Secretarial Audit and annex the Secretarial Audit Report to its annual report.

Additionally, a listed entity must appoint a Secretarial Audit firm for a maximum of two terms of five consecutive years, with shareholders' approval to be obtained at the Annual General Meeting. Accordingly, based on the recommendation of the Audit Committee, the Board of Directors at its meeting held on 20<sup>th</sup> May, 2025, has approved the appointment of M/s Advitiya Vyas & Company, Practicing Company Secretary (Membership No. 13059 & CP No. 16257) as the Secretarial Auditors of the Company for a period of Five (5) consecutive years, commencing from FY 2025-26 to FY 2029-30,

subject to approval of the Members at the Annual General Meeting.

The terms and conditions for the appointment of M/s Advitiya Vyas & Company, Practicing Company Secretary (Membership No. 13059 & CP No. 16257) include a tenure of Five (5) consecutive years, commencing from FY 2025-26 to FY 2029-30, with remuneration for subsequent years to be mutually agreed upon by the Board and the Secretarial Auditors.

Additional fees for statutory certifications and other professional services will be determined separately by the management, in consultation with M/s Advitiya Vyas & Company, and will be subject to approval by the Board of Directors and/or the Audit Committee. M/s Advitiya Vyas & Company has provided its consent to act as the Secretarial Auditors of the Company and has confirmed that the proposed appointment, if made, will be in compliance with the provisions of the Act and the SEBI Listing Regulations. Accordingly, approval of the shareholders is sought for appointment of M/s Advitiya Vyas & Company as the Secretarial Auditors of the Company.

The Board of Directors of the Company recommend the Resolution as set out at Item No. 3 of the accompanying Notice for approval of the members by way of an **Ordinary Resolution**.

None of the Directors, Key Managerial Personnel and their relatives are, in anyway, concerned or interested in the said resolution, except to the extent of their shareholdings, if any, in the Company.

## CHAIRMAN'S MESSAGE

*"At the core of our mission to exceed client expectations, we are dedicated to dedicated to transforming the standard of service into moments of delight."*

### DEAR SHAREHOLDERS,

We are pleased to present our Annual Report for the fiscal year 2024–2025, a comprehensive overview of our accomplishments, financial performance, and strategic direction over the past year. This report reflects our ongoing commitment to our core vision: transforming events into extraordinary and lasting experiences.

At Touchwood, we view every event as an opportunity to create something truly memorable. Our mission is to ensure that each celebration, whether grand or intimate, is meticulously planned and flawlessly executed — bringing our clients' unique visions to life.

Our consistent performance and growth are a testament to the trust we've earned within the event industry. Beyond delivering exceptional services, we take pride in upholding the highest standards of integrity, transparency, and professionalism in all aspects of our work.

As we look back on the milestones of the past year, I am both proud and thankful for all we have accomplished together. Our journey continues, and we remain focused on raising the bar even higher in the years ahead.

## THE YEAR UNDER REVIEW

Over the past year, our company has successfully navigated a landscape shaped by economic fluctuations, rapid technological progress, global uncertainties, and the ongoing evolution of the event industry. Amidst these challenges, the unwavering trust and confidence shown by our clients, partners, and employees have been both a remarkable milestone and a powerful catalyst in our journey toward sustainable, long-term value creation.

The fiscal year 2024–2025 represents a defining chapter in our story – marked by transformative shifts that have reshaped not only our organization but also the broader environment in which we operate. These changes have strengthened our foundation, sharpened our focus, and positioned us for continued growth in a dynamic and ever-changing world.

Continuing our upward momentum, we made consistent progress throughout the year, reaching key milestones that significantly enhanced our financial performance. Notably, our EBITDA grew by an impressive 151.59%, while our PAT surged by 148.74%.

As we stand at the end of another successful year, we are positive that the Company's revenue and Shareholder's value will be enhanced in the coming years.

## LOOKING AHEAD

As we reflect on the milestones of FY 2024–2025, we step forward with renewed energy and a clear vision for the future. We are poised to embrace new opportunities, drive innovation, and continue our upward journey with confidence and purpose.

Our mission to create meaningful impact across every aspect of life remains steadfast. As I conclude, I wish to extend my sincere gratitude to our Board of Directors, our talented and tireless team at Touchwood, and the many collaborators whose spirit and synergy have shaped our progress.

To our valued clients, shareholders, and employees—your belief in us has been the cornerstone of our achievements. Your trust empowers us to reach higher, think bolder, and grow stronger.

Looking ahead, we remain committed to innovation, adaptability, and client-centricity. While the industry continues to transform, our core passion—what makes Touchwood truly distinctive—will remain constant. It is this passion that defines us and inspires the trust that our clients have come to expect.

As we chart the path forward, I am confident in our ability to turn challenges into opportunities and evolve with resilience. Together, we will continue to shape a future marked by shared success, creativity, and purpose.

Here's to new horizons, continued growth, and brighter, stronger days ahead!

# REPORT ON CORPORATE GOVERNANCE

The Board of Directors ("the Board" / "the Directors") of Touchwood Entertainment Limited ("TEL" / "the Company") present the Company's Report on Corporate Governance for the year ended the 31 March, 2025. The said report is in compliance with the terms of Regulation 34(3) read with Schedule V to the Securities and Exchange Board of India ("SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") as amended from time to time.

The Company ensures that its governance framework incorporates the amendments introduced in the Listing Regulations and the same are complied with on or before the effective date.

## I. PHILOSOPHY:

Your Company is committed to set the highest standards of Corporate Governance right from its inception benchmarked with the best-in-class practices across the globe. Effective Corporate Governance is the manifestation of professional beliefs and values, which configures the organizational values, credo and actions of its employees. Transparency and accountability are the fundamental principles to sound Corporate Governance, which ensures that the organization is managed and monitored in a responsible manner for 'creating and sharing value'. It is the key element to carry on business operations based on the underlying principles of integrity, ethics, transparency and accountability. Systems and policies are required to be upgraded regularly, to meet the challenges of rapid growth in a dynamic business environment.

We believe that there is a need to view Corporate Governance as more than just regulatory requirements as there exists a fundamental link with the organization of business, corporate responsibility and shareholder's wealth maximization. Therefore, your Company is articulating a multi-stakeholder model (including shareholder value) of accountability that will manage the symbolic relationship between the various stakeholders. This approach will be central to the day-to-day functioning of your Company and in implementation of its business strategy.

We firmly believe that strong governance principles provide a nucleus for sustained value creation and build stronger bonds that safeguard interests of all stakeholders. Various core values have been instilled in our corporate culture which is directed towards continuously improving the Corporate Governance framework and work ethos of your Company. At Touchwood, the Board of Directors (the 'Board') are at the core of our Corporate Governance practices and oversees how the Management serves and protects the long-term interests of our stakeholders. Our Corporate Governance framework ensures that we make timely disclosures and share accurate information regarding our financials and performance, as well as the leadership and governance of the Company. The philosophy on corporate governance is well observed and forms part of the Company's Code of Conduct for Directors and Employees.

The Company is in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with

# MANAGEMENT DISCUSSION AND ANALYSIS REPORT

## GLOBAL EVENT INDUSTRY

### Overview

The global Events industry market size is projected to record a CAGR of 6.8% from 2025 to 2035. In 2025, the global Events industry was valued at USD 1,552.9 billion, and by 2035, it is anticipated to reach USD 2.5 trillion. As of early 2025, the industry remains on track with this growth trajectory, driven by strong post-pandemic recovery, hybrid event models, and increasing corporate participation.

In the Asia Pacific region, the events market is showing robust expansion, expected to grow from USD 870.46 billion in 2025 to USD 1,466.94 Billion by 2030, at a CAGR of 9.2% from 2025 to 2030. Rapid urbanization, rising disposable incomes, and increased adoption of digital event technologies are key contributors to this growth.

The global Events Industry Market is segmented into several categories:

- By Type: Music Concerts, Festivals, Sports, Exhibitions and Conferences, Corporate Events and Seminars, and Others
- By Revenue Source: Ticket Sales, Sponsorship, Food & Beverage
- By Organizer: Corporate, Sports, Education, Entertainment
- By Age Group: Below 20 Years, 21–40 Years, and Above 40 Years

- By Region: North America, Europe, Asia Pacific, the Middle East & Africa, and Latin America

Event technology has emerged as a central pillar of the modern events ecosystem, transforming the way gatherings are planned and executed. Innovations in event registration platforms, mobile event apps, live streaming solutions, AR/VR, and AI driven personalization have significantly enhanced attendee engagement and event reach. These technologies are not only streamlining logistics but also delivering deeper data insights and customized experiences.

The rise in corporate culture has been a parallel driver of the event industry's growth. Organizations are increasingly leveraging events for brand visibility, talent acquisition, internal engagement, and culture building. These initiatives are critical for demonstrating company values, retaining talent, and fostering innovation. Consequently, the demand for professional event management services continues to escalate, further solidifying the industry's position as a vital component of the global business ecosystem.

### **ELEMENTS FOR GROWTH: A PROVEN FORMULA FOR OUR SUCCESS**

At Touchwood, we believe growth is like planting a garden. It requires careful nurturing, dedication, and a commitment to excellence. These principles are the seeds of our success, blooming into continuous innovation and advancement.

- **Client-Centric Approach:** At the core of our business lies a client-centric philosophy. Our clients are not just patrons; they are the heartbeat of our organization. We take the time to understand their needs and goals, allowing us to work together seamlessly. This fosters trust and loyalty, laying the foundation for strong, lasting partnerships.
- **Talent Development:** Our formula for success prioritizes not just the "what" of events, but the "who" behind them: our talented team. This is where we bloom! We believe in nurturing the talent within our team. We offer ongoing training programs, workshops, and mentorship opportunities to develop new skills and keep our team at the forefront of industry trends. This continuous learning fosters a culture of excellence and allows us to adapt to new technologies and changing client demands.
- **Innovative Thinking:** Fresh perspectives are the lifeblood of exceptional events. We encourage a culture of creative exploration, where team members feel empowered to challenge the status quo and brainstorm new ideas.

- **Strategic partnerships:** Strategic partnerships serve as our cornerstone for success, enabling us to leverage expertise and expand our market reach through collaborative efforts.
- **Adaptability and Agility:** In the dynamic event industry, agility is key. We embrace continuous learning, readily adapting our strategies to incorporate new technologies, trends, and client needs. This flexibility allows us to navigate challenges and capitalize on emerging opportunities. Additionally, our team's adaptability ensures that events run smoothly and client expectations are met, even in the face of unforeseen circumstances.
- **Leadership and Excellence:** Empowered leadership guides our journey, inspiring informed decisions and maximizing team potential. Our unwavering passion for excellence fuels every project, setting new industry benchmarks.

These elements, woven into the fabric of our organization, propel us forward on our journey of growth. At Touchwood, our blend of core values and agile practices allows us to thrive in a dynamic environment. We're more than event planners; we're responsive partners, adept at anticipating client needs and navigating industry shifts. Embracing agility positions us to deliver exceptional events and lead the industry into the future. Through nurturing core values and strategic partnerships, including our subsidiary WedStudios, we create an ecosystem for continued growth and innovation, delivering impactful event experiences that leave a lasting mark on the industry.

## LATEST TRENDS IN EVENT MANAGEMENT

- Experiential events are the artists of the event industry, painting immersive experiences that resonate deeply with attendees. Through interactive activities, storytelling, and technology, they combat shrinking attention spans and yield impressive returns on investment. This global trend prioritizes attendee engagement, innovation, and measurable success metrics, revolutionizing event planning.
- AI, AR, and VR are reshaping events into immersive playgrounds, offering warp-speed personalization, boundary-breaking exploration, and hyper-interactive engagement. These technologies drive data-driven decisions, breaking geographical barriers to foster global communities. As architects of a dynamic event landscape, AI, AR, and VR promise unforgettable experiences and lasting impact.
- The pandemic accelerated the adoption of virtual and hybrid event formats. This trend is expected to continue, offering flexibility and wider reach for events.
- In the evolving landscape of event management, there's a notable shift towards eco-conscious practices and sustainable approaches. From reducing waste to utilizing recycled materials, the focus is on preserving our planet while crafting unforgettable experiences.
- In the evolving landscape of event management, there's a notable shift towards eco-conscious practices and sustainable approaches. From reducing waste to utilizing recycled materials, the focus is on preserving our planet while crafting unforgettable experiences.
- In the world of event planning, data driven decisions are like the compass guiding a ship through uncharted waters. Event organizers use data analytics to navigate attendee behavior and gauge the success of their events. With this insight, they chart a course for future events with confidence, transforming raw data into memorable experiences.
- Events serve as the foundation for community building, nurturing connections and engagement that reach beyond the event's boundaries, with online platforms serving as the roots of this interconnected ecosystem.
- Safety reigns supreme in the event industry, spanning both physical and virtual domains. Trained security personnel and stringent fire safety protocols ensure physical well-being, while robust encryption and AI monitoring bolster virtual security. Events prioritize inclusivity, providing amenities for all attendees. This unwavering focus on safety guarantees a welcoming environment for all to relish unforgettable experiences with peace of mind.

Events are playing an increasingly important role in the Marketing and Communications mix for all companies. Today, Event Management has become an integral part of any Marketing plan. A large number of companies have already recognized the benefits of Direct Marketing through events. Events are considered as a means to Launch, Advertise or Build a brand. These events also act as a bridge to remove the communication gap. These events can be seen as an interactive experience among different employees working in various industries.

## SWOT ANALYSIS

### Strengths:

- **Experience and Reputation:** Over two decades in the industry have established our company as a reputable and reliable player, instilling trust in clients.
- **Strong Core Values:** Emphasis on client focus, innovative thinking, empowered leadership, operational excellence, and passion for excellence creates a strong foundation for success.
- **Adaptability and Agility:** Ability to embrace changing trends, unforeseen circumstances, and client needs ensures success in a dynamic industry.
- **Diverse Service Portfolio:** Our broad range of services, from event management, wedding planning, wedding decor to stage show organizing, showcases versatility and meets varied client needs.
- **Vendor Relationships:** Strong connections with vendors and suppliers ensure seamless event execution and access to quality resources.
- **Strong Client Relationships:** Personalized solutions and a client-centric approach led to loyal clientele who value our tailored event experiences.
- **Experienced Team:** We have a skilled and experienced team that brings diverse expertise to event planning and execution.

### Weaknesses:

- **Dependence on Seasonality:** Relying on peak seasons for various services can lead to revenue fluctuations and operational pressure during off-peak periods.

- **Limited Global Reach:** While established locally, expanding into new markets may pose challenges due to unfamiliarity with different regions.
- **Talent Acquisition and Retention:** Securing and retaining skilled and creative event professionals can be challenging.
- **Scalability:** Expanding services or geographic may require reach overcoming logistical hurdles.

### Opportunities

- **Experiential Events:** Focus on immersive and interactive experiences combats shrinking attention spans and delivers a high return on investment.
- **Data-Driven Decisions:** Utilization of data analytics allows for understanding client measuring event effectiveness, preferences, and refining future approaches.
- **Sustainability and Wellness:** The demand for eco-friendly and wellness focused events is likely to grow, providing opportunities for the Company to offer environmentally conscious and health oriented experiences.
- **Personalized Experiences:** Customized event experiences tailored to individual preferences will help the company to differentiate itself from other event management companies and create more meaningful interactions.
- **Educational Impact:** Enhanced Learning Experience While online classes are available, introducing offline classes offers a unique opportunity for hands-on learning and close interaction, enriching the educational impact of Touchwood

Wedding School. This initiative can significantly contribute to skill development and industry education, cultivating a pool of well-trained professionals.

#### Threats:

- **Various approvals & legal paperwork required:** A lot of hurdles in the form of rules, for which organizers need to get permissions from the concerned multiple authorities is another challenge for the industry and becomes tedious when there are deadlines to be met.
- **Economic Downturn:** Reduced client budgets and decreased spending on events can negatively impact revenue.
- **Technological Disruption:** Rapid technological advancements may require continuous investments to keep up, potentially affecting profitability.
- **Interlinked with other Industries:** The event management companies work a lot in co-operation with different industries such as food, beverage, hospitality and entertainment and thus is quite dependent on each of them. The volatility in any one industry could therefore affect the event management service industry directly and hence could prove as a restrain at times.
- **ROI Measurement Standard:** Brands are likely to increase their expenditure on experiential marketing if the return on their spends could be demonstrated in standard manner. Due to unique nature of each event, there is no universally accepted standard to measure ROI. We need to define standards to measure performance against client expectations (such as sales, trial, awareness, database creation etc.).

This SWOT analysis offers insights into our company's internal strengths and weaknesses, alongside external opportunities and threats.

By capitalizing on our strengths, addressing weaknesses, seizing opportunities, and mitigating threats, we pave the way for sustainable growth and success.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF TOUCHWOOD ENTERTAINMENT LIMITED

#### Report on the Audit of the Standalone Financial Statements

##### Opinion

We have audited the accompanying Standalone Financial Statements of Touchwood Entertainment Limited ("the Company"), which comprise the Balance Sheet as at March 31st, 2025, the Statement of Profit and Loss & Other Comprehensive Income, and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2025, the profit and its cash flows for the year ended on that date.

##### Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of

Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

##### Emphasis of Matter

*We draw your attention to:*

*Note no. (5) for considering the advance given to Jaypee Infratech Ltd. for purchase of Pent House at JAYPEE GREENS, NOIDA, as good despite Jaypee Infratech Ltd. undergoing insolvency proceedings since July 2017.*

*Amount outstanding from/to parties is subject to their confirmation and reconciliations. Therefore, consequential impact on account of nonconfirmation of balances and non-adequacy for the provision for the doubtful debts are not ascertainable.*

##### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information.

The other information comprises the information required under section 134(3) of the Companies Act, 2013 included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. However, we have nothing to report in this regard.

### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, and cash flows of the

Company in accordance with the Ind-AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection appropriate accounting and application of policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Sas will always detect a material misstatement

when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

## ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **M/s Touchwood Entertainment Limited** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have examined the internal financial controls over financial reporting of **M/s Touchwood Entertainment Limited** ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with

the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and Expenditure of the company is being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the

policies or procedures may deteriorate.

## Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **M/s Touchwood Entertainment Limited** of even date)

1) In respect of the Company's Property, Plant & Equipment and Intangible assets:

(a) i) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment.

ii) The Company has maintained proper records showing full particulars of Intangible assets.

(b). The Company has a process of verification, to cover all the items of Property, Plant & Equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant & Equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(c). Based on our examination of registered sale deed provided to us, we report that in respect of the title of immovable property as at the balance sheet date, are held in the name of the company. Except to the above and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made a part payment of Rs.1,13,48,880/- to M/s Jaypee Infratech Limited for purchase of a Pent House at JAYPEE GREENS, NOIDA (UNIT NO. ## NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

### 1. Corporate Information

The Company was incorporated as a Private Limited company on 1st August 1997 under the provisions of Companies Act 1956 and gets itself converted into Limited Company after passing Special Resolution on 08/03/2003 in terms of Section 31/21 read with Section 44 of the Companies Act 1956. The Company is engaged in Event Management Services. The Equity Shares of the Company are listed at National Stock Exchange (NSE) of India since 21st December 2017 with Symbol: TOUCHWOOD and Series ISIN: INE486Y01013

### 2. Significant Accounting Policies

#### (a) Basis of Preparation

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with the Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time and other relevant accounting principles generally accepted in India.

#### (b) Basis of Measurement

The financial statements of the Company have been prepared using the historical cost basis.

#### Summary of Significant Accounting Policies

##### a. Use of Estimates

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management of the company to make judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities (including disclosure of

contingent liabilities) at the end of the reporting period.

The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialise.

##### b. Current versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non current classification. An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
- ▶ Held primary for the purpose of trading. Expected to be realised within twelve months after the reporting period, or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified a non current. A liability is current when:

It is expected to be settled in normal operating cycle It is held primarily for the purpose of trading

- ▶ It is expected to be settled in normal operating cycle It is held primarily for the purpose of trading
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Corporate overview  
Statutory reports  
Financial statements

The Company classifies all other liabilities as non-current.

The Company classifies all other liabilities as non-current.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non current classification of assets and liabilities.

#### c. Foreign Currencies

The Company's financial statements are presented in INR lacs, which is also the Company's functional currency. Functional currency is the currency of the primary economic environment in which the entity operates and is normally the currency in which the entity primarily generates and expends cash.

#### Transactions and Balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

#### d. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

However, Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is tax collected by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

#### Interest income

Interest income is recognized on time proportion basis considering the funds deployed and the applicable interest rates.

#### Dividend income

Dividend Income is accounted for as income, when the right to receive dividend is established.

#### e. Taxes

##### Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Corporate overview  
Statutory reports  
Financial statements

Current income tax relating to items recognised outside profit or loss is, recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

During the year under review the company has made Income tax provision of Rs. 184.36 Lacs (Previous Year Rs. 123.16 Lacs) under section 115BAA of the income tax Act.

### Deferred Tax

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognized in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

During the year under review the company has created Deferred tax asset of Rs. 0.86 lacs (deferred tax assets Previous Year Rs. 0.47 lacs).

## f. Property, Plant and Equipment

### (i). Recognition and Measurement

Property, plant and equipment are tangible items that are held for use in the production or supply for goods and services, rental to others or for administrative purposes and are expected to be used during more than one period.

The cost of an item of property, plant and equipment shall be recognised as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold lands are stated at cost. All other items of property, plant and equipment are stated at cost, net of recoverable taxes less accumulated depreciation, and impairment loss, if any.

The cost of an asset includes the purchase cost of material, including import duties and non refundable taxes, and any directly attributable costs of bringing an asset to the location and condition of its intended use. Interest on borrowings used to finance the construction of qualifying assets are capitalised as part of the cost of the asset until such time that the asset is ready for its intended use. The carrying amount of the replaced part is derecognised. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred.

Corporate overview  
Statutory reports  
Financial statements

The present value of the expected cost for the decommissioning of an asset after its use, if any, is included in the cost of the respective asset if the recognition criteria for a provision are met. Assets identified and technically evaluated as obsolete are retired from active use and held for disposal are stated at the lower of its carrying amount and fair value less cost to sell.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognised.

#### (i) Subsequent Expenditure

Subsequent costs are included in the assets carrying amount only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.

#### Depreciation

Depreciation has been provided based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013. Depreciation on Property, Plant & Equipment (other than Intangible assets) is provided based on the following useful life of the assets:-

Asset Category	Useful Life (In years)
Office Equipments	5 years
Motor Cars	8 years
Furniture and Fixtures	10 years
Electrical Items	5 years
Computer and Peripherals	3 years
Generator	15 years
Printer	5 years
Television	5 years
Composting Machine	15 years

Depreciation on additions is provided on a pro-rata basis from the date of such additions. Similarly, depreciation on assets sold/ disposed off during the year is being provided upto the date on which the assets are sold/ disposed off.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Modification or extension to an existing asset, which is of capital nature and which becomes an integral part thereof is depreciated prospectively over the remaining useful life of that asset.

During the year under review and in earlier financial years, the company has purchased some assets which are located at the Pandal taken on rent for commercial purposes/events.

## g. Intangible Assets

### (i) Recognition and Measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Intangible assets assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

### (ii) Subsequent Expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits from the specific asset to which it relates.

### (iii) Amortisation

Intangible Assets is amortised on a straight line basis over a period of three years, being the period over which the Company expects to derive economic benefits from the use of the Intangible Assets.

## h. Borrowing Costs

Borrowing costs directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

## i. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that is largely independent of cash flows of other assets or group of assets (CGU).

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

#### **j. Provisions, Contingent Liabilities and Assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continuously and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

A contingent asset is not recognised but disclosed, when possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company.

#### **k. Employee Benefits**

##### **1. Short-Term Obligations**

Short-term obligations liabilities for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the undiscounted amounts expected to be paid when the liabilities are settled. The liabilities are presented as current benefit obligations in the balance sheet.

## ii. Retirement and Other Employee Benefits

The Company provides for Gratuity covering eligible employees of company. The Gratuity provides a lumpsum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. The company does not have any policy for leave encashment/ carry forward of leaves.

Liabilities with regard to the Gratuity are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gain and loss arising from experience adjustments and change actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of change in equity and in the balance sheet.

## i. Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and current deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

## m. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another company.

## (A) Financial Assets

### *Initial Recognition and Measurement*

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

### *Subsequent Measurement*

For purposes of subsequent measurement, financial assets are classified in following categories:

#### (i) Financial Assets carried at Amortised Cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### (ii) Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income for these financial assets is included in other income using the effective interest rate method.

### **(iii) Financial Assets at Fair Value through Profit or Loss (FVTPL)**

A financial asset/equity investment which is in scope of Ind AS 109 and is not classified in any of the above categories are measured at FVTPL.

During the year under review the company has invested in Listed equity shares, In which case the company has identified the valuation at the end of Quarter/year and respective increase/diminution in value have been dealt in the financials of the company.

### **(B) Financial Liabilities**

#### ***Initial Recognition and Measurement***

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

#### ***Subsequent Measurement***

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

### **(C) Derecognition of Financial Instruments**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

### **(D) Reclassification of Financial Assets**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations. If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

### **(E) Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### **(n) Earnings per Share**

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed using the weighted average

number of equity and equivalent dilutive equity shares outstanding during the year, except where the result would be anti-dilutive.

#### **o. Use of Estimates**

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management of the Company to make judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities (including disclosure of contingent liabilities) at the end of the reporting period.

The areas involving critical judgements are as follows-

#### **(i) Depreciation/Amortisation and useful lives of Property, Plant and Equipment/Intangible assets**

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

#### **(ii) Provisions**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and

circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

#### **(iii) Defined Benefit Obligations**

The costs of providing gratuity and other post-employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected rate of return on assets and mortality rates.

**The same is disclosed in Note 18.**

#### **(iv) Income Tax**

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions.

#### **Notes to Account**

1. The party balances classified under sundry debtors, sundry creditors, loans & advances are subject to confirmation and reconciliation with the respective parties.
2. The Company could not account/reconcile entire amount of Tax deducted at source, by its clients as the clients have yet to file their quarterly TDS return for March 2025 Qtr. In view of this the company has accounted the TDS amount to the extent amount appearing in Form 26AS and TDS deducted by clients in case of bill wise payment received.

Corporate overview  
Statutory reports  
Financial statements

3. Contingent liability may be incurred in respect of pending direct & indirect taxes & statutory dues the amount of which is neither known nor presently ascertainable. Further in one case the company has filed an appeal with GST department (Mumbai) and paid an amount of Rs. 7.02 lacs .
4. In the opinion of the management the value of Current Assets & Loans & Advances is not less than the amounts stated in books of accounts and are considered good.
5. The Company was allotted a Pent House at JAYPEE GREENS, NOIDA vide provisional allotment letter bearing No. 47698/390115/KRH0213202 dated 09/11/2013 for a total consideration of Rs.220.32 lacs. Till the close of the current financial year the company has paid a sum of Rs.113.49 lacs. M/s Jaypee Infratech Limited is in process of resolution of insolvency but the company's management is confident of getting the possession of the property in the coming time. Therefore no provision for diminution in the value of advance given for the same is considered. This amount is classified under "Loan Under Financial Liability (Non Current)."

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF TOUCHWOOD ENTERTAINMENT LIMITED

#### Report on the Audit of the Consolidated Financial Statements

#### Opinion

We audited have the accompanying Consolidated Financial Statements of **Touchwood Entertainment Limited** hereinafter referred to as "the holding company") and its wholly owned subsidiary (the holding Company and its two subsidiary collectively referred to as "the Group"), comprising the Consolidated Balance Sheet as at March 31st, 2025, the Consolidated Statement of Profit and Loss & Other Comprehensive Income, and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2025, the consolidated profit and total consolidated comprehensive income, and its consolidated cash flow statement for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence

requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

#### Emphasis of Matter

*We draw your attention to:*

- *Note no. (5) For considering the advance given to Jaypee Infratech Ltd. for purchase of Pent House at JAYPEE GREENS, NOIDA, as good despite Jaypee Infratech Ltd. undergoing insolvency proceedings since July 2017.*
- *Amount outstanding from/to parties is subject to their confirmation and reconciliations. Therefore, consequential impact on account of non-confirmation of balances and non-adequacy for the provision for the doubtful debts are not ascertainable.*

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

Corporate overview  
Statutory reports  
Financial statements

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. However, we have nothing to report in this regard.

### **Management's Responsibility for the Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the

assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis

of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate Internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going

concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para 1 to para 4 of the section titled "Other Matters" in this Audit report.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other matters;

We did not audit the financial statements of one subsidiary and one wholly owned subsidiary of the company namely i) MakeMeUp Pvt. Ltd. And ii) WedAdvisor Solutions Pvt. Ltd. The accompanying statements include the audited financial results/statements of this two subsidiaries out of which one is a subsidiary and the other is wholly owned subsidiary whose financial statements/results for the year ended 31st March, 2025 as considered in the consolidated financial statements. Our opinion on the consolidated financial statements, in so far as it

relates to the amounts and disclosures included in respect of these two wholly owned subsidiaries, and our report in terms of sub sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid two subsidiaries, is based solely on such audited financial statements.

#### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report and on the consideration of audited financial statements of subsidiary and wholly owned subsidiary as referred in "Other Matters" paragraph, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and audited financials.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income) including the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- d) In our opinion, the aforesaid Consolidated financial statements comply with the Indian Accounting Standard specified under Section 133 of the Act read with Companies

- (Indian Accounting Standards) Rules 2015 as amended, and other accounting principles generally accepted in India;

## ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS OF TOUCHWOOD ENTERTAINMENT LIMITED

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **M/s Touchwood Entertainment Limited** of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have examined the internal financial controls over financial reporting of M/s Touchwood Entertainment Limited ("the Company") as of March 31st, 2025 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding company, its subsidiary company which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

Corporate overview  
Statutory reports  
Financial statements

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

### Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls,

material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Other Matter

Our aforesaid reports under Section 143(3)(I) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to two subsidiaries out of which one is wholly owned subsidiary, which are companies incorporated in India, is based on the audited financials of these two subsidiary companies incorporated in India.

### Opinion

In our opinion, the Holding Company, its two subsidiaries out of which one is wholly owned subsidiary, which are entities incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31st, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

affect the reported amount of revenues, expenses, assets and liabilities (including disclosure of contingent liabilities) at the end of the reporting period.

The management believes that the estimates used in preparation of the consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known/materialise.

#### b. Current versus Non-Current Classification

The Company presents assets and liabilities in the consolidated balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- ▶ Expected to be realised or intended to be sold or consumed in normal operating cycle
- ▶ Held primary for the purpose of trading
- ▶ Expected to be realised within twelve months after the reporting period, or
- ▶ Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified a non current. A liability is current when

- ▶ It is expected to be settled in normal operating cycle  
It is held primarily for the purpose of trading
- ▶ It is due to be settled within twelve months after the reporting period, or
- ▶ There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

Corporate overview  
Statutory reports  
Financial statements

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current/non current classification of assets and liabilities.

#### c. Foreign Currencies

The Company's financial statements are presented in INR, which is also the Company's functional currency. Functional currency is the currency of the primary economic environment in which the entity operates and is normally the currency in which the entity primarily generates and expends cash.

#### Transactions and Balances

Transactions in foreign currencies are initially recorded by the Company at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

#### d. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

However, Goods and Service Tax (GST) is not received by the Company on its own account. Rather, it is tax collected by the seller on behalf of the government. Accordingly, it is excluded from revenue.

The specific recognition criteria described below must also be met before revenue is recognised.

#### Interest income

Interest income is recognized on time proportion basis considering the funds deployed and the applicable interest rates.

#### Dividend income

Dividend Income is accounted for as income, when the right to receive dividend is established.

#### e. Taxes

##### Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is, recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically

evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

During the year under review the company has made Income tax provision of Rs. 184.36 lacs (Previous Year Rs. 123.16 lacs) under section 115BAA of the income tax Act.

### Deferred Tax

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are excepted to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

During the year under review the company has made Deferred tax assets of Rs. 0.86 lacs (Previous Year Deferred tax asset of Rs. 0.47 lacs).

### f. Property, Plant and Equipment

#### (i) Recognition and Measurement

Property, plant and equipment are tangible items that are held for use in the production or supply for goods and services, rental to others or for administrative purposes and are expected to be used during more than one period.

The cost of an item of property, plant and equipment shall be recognised as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Freehold lands are stated at cost. All other items of property, plant and equipment are stated at cost, net of recoverable taxes less accumulated depreciation, and impairment loss, if any.

The cost of an asset includes the purchase cost of material, including import duties and non refundable taxes, and any directly attributable costs of bringing an asset to the location and condition of its intended use. Interest on borrowings used to finance the construction of qualifying assets are capitalised as part of the cost of the asset until such time that the asset is ready for its intended use. The carrying amount of the replaced part is derecognised. All other repair and maintenance costs are recognised in the Statement of Profit and Loss as incurred.

The present value of the expected cost for the decommissioning of an asset after its use, if any, is included in the cost of the respective asset if the recognition criteria for a provision are met. Assets identified and technically evaluated as obsolete are retired from active use and held for disposal are stated at the lower of its carrying amount and fair value less cost to sell.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

The consolidated property, plant and equipment and intangible assets include balances of holding and two subsidiary companies.

#### (i) Subsequent Expenditure

Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.

#### Depreciation

Depreciation has been provided based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013. Depreciation on Property, Plant & Equipment (other than Intangible assets) is provided based on the following useful life of the assets:-

Asset Category	Useful Life (In years)
Office Equipments	5 years
Motor Cars	8 years
Furniture and Fixtures	10 years
Electrical Items	5 years
Computer and Peripherals	3 years
Generator	15 years
Printer	5 years
Television	5 years
Composting Machine	15 years

Depreciation on additions is provided on a pro rata basis from the date of such additions. Similarly, depreciation on assets sold/ disposed off during the year is being provided upto the date on which the assets are sold/ disposed off.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Modification or extension to an existing asset, which is of capital nature and which becomes an integral part thereof is depreciated prospectively over the remaining useful life of that asset.

#### g. Intangible Assets

##### (i) Recognition and Measurement

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Intangible assets assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognised in the statement of profit and loss unless such expenditure forms part of carrying value of another asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

Corporate overview  
Statutory reports  
Financial statements

Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

### (ii) Subsequent Expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits from the specific asset to which it relates.

### (iii) Amortisation

Intangible Assets is amortised on a straight line basis over a period of three years, being the period over which the Company expects to derive economic benefits from the use of the Intangible Assets.

## h. Borrowing Costs

Borrowing costs directly attributable to the acquisition of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

## i. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from

other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that is largely independent of cash flows of other assets or group of assets (CGU).

For assets excluding goodwill, an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss unless the asset is carried at a revalued amount, in which case, the reversal is treated as a revaluation increase.

## j. Provisions, Contingent Liabilities and Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be

Corporate overview  
Statutory reports  
Financial statements

required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require and outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continuously and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

A contingent asset is not recognised but disclosed, when possible asset that arises from past events and whose existence will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Company.

## **k. Employee Benefits**

### **i. Short-Term Obligations**

Short-term obligations liabilities for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the undiscounted amounts expected to be paid

when the liabilities are settled. The liabilities are presented as current benefit obligations in the balance sheet.

### **ii. Retirement and Other Employee Benefits**

The Company provides for Gratuity covering eligible employees of company. The Gratuity provides a lumpsum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company. The company does not have any policy for leave encashment/ carry forward of leaves.

Liabilities with regard to the Gratuity are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Re-measurement gain and loss arising from experience adjustments and change actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of change in equity and in the balance sheet.

## 1. Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and current deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

### m. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another company.

#### (A) Financial Assets

##### *Initial Recognition and Measurement*

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

##### *Subsequent Measurement*

For purposes of subsequent measurement, financial assets are classified in following categories:

##### **(i) Financial Assets carried at Amortised Cost (AC)**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

##### **(ii) Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income for these financial assets is included in other income using the effective interest rate

method.

##### **(iii) Financial Assets at Fair Value through Profit or Loss (FVTPL)**

A financial asset/equity investment which is in scope of Ind AS 109 and is not classified in any of the above categories are measured at FVTPL.

During the year under review the company has invested in Listed equity shares, In which case the company has identified the valuation at the end of Quarter/year and respective increase/diminution in value have been dealt in the financials of the company.

##### **(B) Financial Liabilities**

##### *Initial Recognition and Measurement*

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

##### *Subsequent Measurement*

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

##### **(C) Derecognition Instruments of Financial**

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

##### **(D) Reclassification of Financial Assets**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial

liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The company's senior management determines change in the business model as a result of external or internal changes which are significant to the company's operations. Such changes are evident to external parties. A change in the business model occurs when the company either begins or ceases to perform an activity that is significant to its operations.

If the company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

### **(E) Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

### **n. Earnings per Share**

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed using the weighted average number of equity and equivalent dilutive equity shares outstanding during the year, except where the result would be anti-dilutive.

### **o. Use of Estimates**

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management of the Company to make judgments, estimates and assumptions that

affect the reported amount of revenues, expenses, assets and liabilities (including disclosure of contingent liabilities) at the end of the reporting period.

The areas involving critical judgements are as follows-

### **(i) Depreciation/Amortisation and useful lives of Property, Plant and Equipment/Intangible assets**

Property, plant and equipment/intangible assets are depreciated/amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

### **(ii) Provisions**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

### **(iii) Defined Benefit Obligations**

The costs of providing gratuity and other post employment benefits are charged to the Statement of Profit and Loss in accordance with Ind AS 19 'Employee benefits' over the period during which benefit is derived from the employees' services. The costs are assessed on the basis of assumptions selected by the management. These assumptions include salary escalation rate, discount rates, expected

rate of return on assets and mortality rates.

**The same is disclosed in Note 17.**

#### (iv) Income Tax

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions.
