Dear Sir/Madam,

This is with reference to your email dated 13th January, 2026, seeking clarification with respect to the Standalone and Consolidated Financial Results of the Company for the quarter ended 30th September, 2025, wherein a discrepancy was observed due to identical figures appearing in both statements.

Clarification: The Company has a Wholly Owned Subsidiary, namely Prokuba Containers Private Limited which has no business operations. Since the subsidiary's financial figures are only in hundreds and thousands, whereas the consolidated financial statements of the Company are presented and disclosed in lakhs, the impact of the subsidiary's statutory expenses are not visible due to rounding off, resulting in the figures appearing identical in both the Standalone and Consolidated Financial Results. Accordingly, the financial impact of the subsidiary is immaterial and does not have any effect on the consolidated financial results, resulting in the figures appearing identical to the standalone results.

We trust that the above explanation adequately addresses your query.

Kindly acknowledge receipt of this letter.

Thanking you.

Yours sincerely,

For TPL Plastech Limited
