Dear Sir / Madam,

**Sub: Disclosure pursuant to Regulation 30 read with Para B of Part A of Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI Listing Regulations) – Disruption of operations at Company's Propylene Oxide (PO) Plant**

We write this to inform you that due to ongoing geopolitical situation in the Middle East Region, Ministry of Petroleum & Natural Gas (MoPNG) has directed Refineries / Oil marketing companies to suspend supplies of crude-based petroleum products to downstream industries and prioritize their usage in LPG production.

Consequent to this, there is a stoppage of propylene supply, the key raw material for PO plant, leading to temporary disruption in the operations of PO plant at Manali location, today.

This temporary shutdown constitutes a force majeure event, and we are currently unable to quantify its impact. Any further material updates will be promptly communicated to the Stock Exchanges.

We request you to kindly take the above on record.

Thanking you,

Yours faithfully,

For **Tamilnadu Petroproducts Limited**
