Subject: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 regarding enhancement of conductor manufacturing capacity

Dear Sir / Madam,

Pursuant to the Regulation 30 read with Para B of Part A of Schedule III of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”) and in continuation of the earlier intimations made on the subject dated January 15, 2025 and May 23, 2025, we would like to inform you that the phase 1 of the brownfield expansion for conductor manufacturing at our Silvassa location has been completed and with this, the total installed capacity of conductor manufacturing facility of the Company has increased from 24,000 Km/annum to 40,800 Km/annum.

This expansion marks a significant milestone in strengthening the Company's conductor manufacturing capabilities which enhances its execution efficiencies and capacity to cater to growing markets.

We are pleased to enclose herewith the press release titled “**Transrail increases Conductor manufacturing capacity by 70%**” pursuant to point no. 18 of Para A of Part A of Schedule III of regulation 30 of the Listing Regulations for your information & records.

For Transrail Lighting Limited

Monica Gandhi
Company Secretary and Compliance Officer

Transrail increases its Conductor manufacturing capacity by 70% *Revised capacity at 40,800 Km/annum*

Mumbai, September 21, 2026: Transrail Lighting Limited (BSE: 544317, NSE: TRANSRAILL), one of the leading EPC players in the Transmission & Distribution (T&D) sector, has completed its phase 1 of the brownfield expansion for conductor manufacturing at Silvassa location.

With this expansion the company's conductor manufacturing capacity has increased from 24,000 Km/annum to 40,800 Km/annum. It is worthwhile to note that the company is in the process of further enhancing its conductor capacity under phase 2 expansion, post which it will be double of its original capacity.

Commenting on the development, **Mr. Randeep Narang, MD & CEO, stated**, "This expansion marks a significant milestone in strengthening the Company's conductor manufacturing capabilities which enhances its execution efficiencies and capacity to cater to growing markets."
