Transteel Secures Orders Worth INR 1.35 Crores from Progress Software & Dexian India Technologies

New wins reaffirm Transteel's position as a trusted partner for workspace design and build solutions

Bengaluru, 18th November 2025:

Transteel is pleased to announce two significant business wins that further strengthen its position as a trusted workspace solutions partner,

We have secured a repeat order from Progress Software valued at 99.71 Lakhs inclusive of GST and another from Dexian valued at 36.26 Lakhs inclusive of GST through its contracting partner Krayons. This new engagement expands the company's portfolio in the enterprise solutions space and marks the beginning of a promising collaboration.

“We are honoured to receive our repeat order from Progress Software and excited to begin our association with Dexian through Krayons. These wins demonstrate our team's ability to consistently deliver high-impact solutions and our focus on building lasting client relationships” said *Shiraz Ibrahim*, *Managing Director of Transteel*.

Transteel continues to experience strong momentum across key sectors, driven by its customer-centric approach, robust technical capabilities, and emphasis on quality delivery.

About Transteel

Transteel is a Bengaluru-headquartered Workspace Solutions brand with over three decades of expertise in workspace design and ergonomic furniture solutions. The company specializes in workspaces solutions for commercial spaces including customized **Design & Build** projects, modular workstations, ergonomic seating and storage systems. With a digital-first design & build model and localized manufacturing, Transteel serves commercial enterprises across India, making high-quality interiors accessible, affordable, and scalable.
