Transteel Secures Orders worth ₹7.5 Crore from Marquee Brands Across Sectors

New wins reaffirm Transteel's position as a trusted partner for workspace design and build business

20 August 2025: Transteel, one of India's fastest growing workspace solutions providers, has secured ₹7.5 crore worth of fresh orders from leading enterprises such as, Brookfield Properties, Oberoi Realty, Quess Corp, Saint Gobain Limited, and GE Healthcare, among others.

Transteel will provide end-to-end workspace solutions, ranging from designing and building interiors to supplying ergonomic furniture to all their offices that are spread across Bengaluru, Mumbai, Pune, and Chennai. Reiterating on its commitment of providing timely execution with unmatched quality, Transteel expects to complete all these orders over the next 60 to 90 days.

With this development, the company's total order book has crossed ₹44 crore, reflecting sustained demand for its design expertise, agile execution model, and ergonomic product range.

Commenting on the achievement, **Shiraz Ibrahim, Managing Director**, said: "These new orders highlight the confidence that leading enterprises place in Transteel's ability to deliver modern, functional, and employee-friendly workspace solutions. Our asset-light model ensures that we can scale rapidly while maintaining cash flow efficiency, allowing us to take on larger turnkey contracts without blocking capital. As we continue to grow, our focus will remain on delivering innovative design and ergonomic solutions that transform workspaces across India."

Looking ahead, Transteel is poised to grow its Design & Build Business vertical at a CAGR of 49% over the next 5 years. The strategic shift from primarily offering furniture solutions to delivering comprehensive design & build projects signifies a key growth milestone. While the company's asset-light and cash flow-efficient model provides the flexibility and financial headroom needed for sustained expansion without tying up capital.

About Transteel

Transteel is a Bengaluru-headquartered Workspace Solutions brand with over two decades of expertise in workspace design and ergonomic furniture solutions. The company specializes in workspaces solutions for commercial spaces including customized **Design & Build** projects, modular workstations, ergonomic seating and storage systems. With a digital-first design & build model and localized manufacturing, Transteel serves commercial enterprises across India, making high-quality interiors accessible, affordable, and scalable.
