The Essel Group has played a fraud upon the company and its promoters. The gravity of the fraud has emerged only on December 16, 2016. The promoters have filed complaint with the police authority on December 15, 2016 and December 16, 2016 against the Essel Group. The Promoters are in the process of collecting detailed information. The exit of the Essel group (Zee Learn Limited) was part of their conspiracy to destroy their competitor the Tree House. The so called complaints from parents are all by and large engineered by employees of Essel group. The so called financial mess of the Company is really not a mess but artificial scarcity created by officers of Essel group who had illegally attempted to take over the Company.
