Sub: Clarification - Financial results for the quarter and year ended 31st March 2021

Dear Sir / Madam,

This is with reference to your email dated 26th May 2021 on the captioned subject pertaining to our submission vide letter dated April 30, 2021. In the notes to the financial results for the quarter ended March 31, 2021, we have indicated that the auditors had carried out limited review of the results for the quarter in Note 13. However, we had not included that the figures for the quarter were balancing figures and this was inadvertent.

In the foregoing context, kindly consider the following as point no. 15 in the Notes to statement of audited standalone and consolidated financial results for the quarter and year ended 31st March 2021, submitted to the stock exchange on 30th April 2021:

“15. Figures of the quarter ended March 31, 2021 and March 31, 2020 are the balancing figures between audited figures in respect of the full financial year and year to date figures up to the third quarter of the relevant financial year and have been subjected to limited review by the auditors.”

Thanking You,
For Trent Limited
