## STATEMENT PURSUANT TO SECTION 102(1) AND 110 OF THE COMPANIES ACT, 2013

The following Statement(s) sets out all material facts relating to Resolution No(s). 1 and 2 mentioned in the accompanying Notice.

### Context for Resolution No(s). 1 and 2

In terms of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('**SEBI Listing Regulations**'), as amended, any transactions with a related party shall be considered material, if the transaction(s) entered into/to be entered into individually or taken together with the previous transaction(s) during a financial year exceeds ₹1,000 crore or 10% of annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower, and shall require prior approval of shareholders by means of an ordinary resolution. The said limits are applicable, even if the transactions are in the ordinary course of business of the concerned company and at an arm's length basis. Further, Regulation 2(1)(zc) of the SEBI Listing Regulations defines a Related Party Transaction ('**RPT**') to include a transaction involving transfer of resources, services or obligations between (i) a listed entity or any of its subsidiaries on one hand and a related party of the listed entity or any of its subsidiaries on the other hand, as well as (ii) a listed entity or any of its subsidiaries on one hand and any other person or entity on the other hand, the purpose and effect of which is to benefit a related party of the listed entity or any of its subsidiaries, regardless of whether a price is charged or not and a "transaction" with a related party shall be construed to include a single transaction or a group of transactions in a contract.

Further, SEBI vide its circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/18 dated February 14, 2025 has introduced the Industry Standards on "Minimum information to be provided for review of the audit committee and shareholders for approval of a related party transaction" ('**Standards**') to facilitate uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the SEBI Listing Regulations read with the SEBI Master Circular no. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024 ('**SEBI Circular**'). The Standards *inter alia* requires listed entity to provide minimum information, in specified format, relating to the proposed RPTs, to the Audit Committee and to the shareholders, while seeking approval.

It is in the above context that, Resolution No(s). 1 and 2 are placed for the approval of the Members of TRF Limited ('**Company**') along with necessary details on the proposed RPTs provided in this Statement.

For the purpose of calculating the total amount of proposed RPTs (as provided in resolution(s) 1 and 2) as a percentage of annual consolidated turnover of TRF Limited as of the immediately preceding financial year, we have considered FY2023-24 as the 'preceding financial year' pending finalisation and approval of financial statements/results of TRF Limited for FY2024-25, by the Board of Directors of the Company followed by the adoption of the said Financial Statements by the Shareholders of the Company at the ensuing Annual General Meeting to be held during FY2025-26.

### Item no. 1 - Material Related Party Transaction(s) with Tata Steel Limited - Operational Transaction

#### Background, details, benefits and justification of the transaction(s):

Tata Steel Limited ('**Tata Steel**') is a promoter company of TRF Limited ('**Company**') and accordingly, a related party under Regulation 2(1)(zb) of the SEBI Listing Regulations. The Company in order to sustain and run its business effectively has made attempts to enhance the situation by undertaking several interventions to improve its business performance including:

- i. Operating measures: Improved debtor collections, lowered fixed overheads, improved project delivery compliance, and optimized employee costs;
- ii. Asset optimization: Divested subsidiaries and other non-core assets;
- iii. Capital structure: Re-paid all its external borrowing, reduced exposure to non-fund-based facilities and raised capital from Tata Steel to finance working capital needs for project delivery;

The Company's promoter i.e. Tata Steel is working towards expanding production capacity in India by implementing green/brownfield expansion projects. This expansion would need Tata Steel to invest considerable capital expenditure over the next few years. The Company understands that Tata Steel has in-house capabilities to execute projects involving concept to commissioning of bulk material handling equipment and systems. However, Tata Steel may not have adequate bandwidth to execute such projects in entirety. In such scenario, the Company believes that there may be opportunity for the Company to offer its expertise to complement Tata Steel's capabilities.

The Company, in the past, had provided its services to Tata Steel in delivering projects complementing its capabilities. Therefore, Company envisages deriving the following benefits through this arrangement:

- I. Improvement in utilization of the Company's facilities, along with operational efficiency.
- II. Strengthen the financial position of the Company through positive EBITDA and achieve steady cash flows, without risks of underlying financial guarantees and other legal risks.
- III. Skill up-gradation and job enrichment of human resources through knowledge sharing and exchange of best practices while executing projects and business supplies/services for Tata Steel.
- IV. De-risk the business from order fluctuations, credit risks and opportunity to get technical and other business support as and when required.
- V. Partnership with Tata Steel will boost the confidence of all the Company's stakeholders, more notably the vendors and creditors.

Given the foreseeable benefits of engaging with Tata Steel, the Company proposes to enter into a Material Related Party Transaction(s) ('MRPT') with Tata Steel.

Taking into the account, the current business requirements, the proposed value of the MRPT(s) to be entered into with Tata Steel, has been estimated to ₹321 crore (Rupees Three Hundred and Twenty One crore only) for sale of goods and rendering of services and ₹271 crore (Rupees Two Hundred and Seventy One crore only) for purchase of goods and receipt of services ₹50 crore (Rupees Fifty crore only), for the financial year 2025-26.

The Management of the Company has provided the Audit Committee with the relevant details (as required under the Standards) about the proposed RPTs, including rationale, material terms, justification as to why the proposed RPT(s) are in the interest of the Company and the basis of pricing. The Audit Committee has reviewed and taken note of the certificate placed before it by the Managing Director and Chief Financial Officer of the Company, confirming that the proposed RPT(s) are not prejudicial to the interest of public shareholders of the Company and nor are the terms and conditions of the proposed RPT(s) unfavourable to the Company, compared to terms and conditions, had the Company to have entered into similar transaction(s) with an unrelated party.

After considering the details on RPT(s) as placed by the Management, the Audit Committee has granted approval for entering into operational RPT(s) with Tata Steel for an aggregate amount up to ₹321 crore to be entered during FY2025-26. The Committee has noted that the said transactions will be on arms' length basis and in the ordinary course of business of the Company. Further, the Audit Committee has confirmed that the relevant disclosures for decision-making of the Committee were placed before it and, while approving the RPT(s), the Committee has determined that the promoter(s) will not benefit from the proposed RPT(s) at the expense of public shareholders.

Further, as per the review process carried out by the Company, Tata Steel enjoys sound financial health and there have been no audit qualifications reported by the statutory auditors of Tata Steel as per the latest audited financial statements of Tata Steel.

Further, the Audit Committee of the Company at its meeting held on April 16, 2025 have approved the said material related party transactions ('MRPT') with Tata Steel on arms' length basis and in the ordinary course of the business, subject to approval by the shareholders of the Company.

As the estimated value of the proposed contract(s)/arrangement(s)/transaction(s) with Tata Steel is higher than the revenue threshold for determining material related party transactions, prescribed under the Securities Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') the same qualifies as MRPT and will need the approval of the shareholders.

#### **Approval sought**

Approval is being sought to enter into Material Related Party Transaction(s) with Tata Steel Limited for sale of goods and rendering of services for an amount up to, ₹321 crore (sale of goods and rendering of services up to ₹271 crore and purchase of goods and receipt of services up to ₹50 crore) for FY2025-26.

The Company's turnover for FY2023-24 was ~ ₹140 crore and 10% of which is equal to ~ ₹14 crore and accordingly the Company is seeking approval from shareholders for the aforesaid transaction.

Details of the proposed transactions with Tata Steel Limited being a related party of the Company, including the information pursuant to Clause 4 of the Standards read with the SEBI Circular and applicable provisions of the Companies Act, 2013, if any, and as placed before the Audit Committee for consideration while seeking prior approval of the proposed RPT(s) are provided below:

#### Item no. 2 - Material Related Party Transaction(s) with Tata Steel Limited - Financial Transaction

##### Background, details, benefits and justification of the transaction(s):

The Board of Directors at their meeting held on May 23, 2022, had adopted the One Treasury Initiative of Tata Steel Limited ('Tata Steel') which allows group Companies to outsource their banking requirements and enable them to focus on strengthening internal controls and driving business performance.

The Central Treasury team of Tata Steel has the relevant technical knowhow and the required skillsets & experience in managing and handling investment of funds, assessing the market conditions, prevailing risks and opportunities. This team also had expertise in managing large scale exposure of banking lines of Tata Steel in India and overseas with complex products and structure in multiple currencies, which enables it to share its expertise and facilities with the group companies for efficient and competitive banking lines. The Company to utilise such services, had adopted the One Treasury Initiative of Tata Steel.

Under the said arrangement, Tata Steel had extended its Non-Fund Based ('NFB') limits up to ₹150 crore for 3 years, in one or more tranches, with banks to TRF Limited for meeting its NFB working capital requirements.

The aforesaid transaction being a material related party contract/arrangement/transaction ('MRPT') was approved by the Audit Committee at their meeting held on May 9, 2022, subject to approval by the shareholders of the Company. Further, the Shareholders had approved the said MRPT at the Annual General Meeting of the Company held on August 30, 2022 to be valid till March 31, 2025.

The Company proposes to continue utilising such services beyond March 31, 2025 under the One Treasury initiatives. Accordingly, the Audit Committee at its meetings held on March 26, 2025 and April 16, 2025 approved the proposed contract/arrangement/transaction with Tata Steel for utilization of its Non-Fund Based banking facility up to ₹100 crore (Rupees One Hundred crore), in one or more tranches, for a period of 3 years from April 1, 2025 through March 31, 2028, subject to necessary approvals, including shareholders' approval.

As the value of the proposed contract/arrangement/transaction would be higher than the revenue threshold for determining MRPT (i.e. exceeding 10% of the annual consolidated turnover or ₹1000 crore, whichever is lower) prescribed under the SEBI Listing Regulations, the same will need shareholders' approval.

The Management of the Company has provided the Audit Committee with the relevant details (as required under the Standards) about the proposed RPT(s), including rationale, material terms, justification as to why the proposed RPT(s) are in the interest of the Company and the basis of pricing. The Audit Committee has reviewed and taken note of the certificate placed before it by the Managing Director and Chief Financial Officer of the Company, confirming that the proposed RPT(s) are not prejudicial to the interest of public shareholders of the Company and nor are the terms and conditions of the proposed RPT(s) unfavourable to the Company, compared to terms and conditions, had the Company to have entered into similar transaction(s) with an unrelated party.

The Audit Committee, after reviewing all necessary information, has granted approval to utilize Tata Steel's non-fund based banking facility for an amount not exceeding ₹100 crore (Rupees One Hundred only), in one or more tranches, for a period of 3 years. The Audit Committee has noted that the said transaction/s will be on arms' length basis and in the ordinary course of business of the Company.
