Sub: Trident inaugurates World's Largest Terry Towel Plant & lays Foundation Stone of Composite Textile Project

Dear Sirs,

We would like to inform you that Trident Limited has inaugurated World's Largest Terry Towel plant and laid foundation stone of its Composite Textile project in Budni, Madhya Pradesh, today i.e. October 7, 2014.

The occasion was graced by the presence of Hon'ble Chief Minister of Madhya Pradesh Sh. Shivraj Singh Chouhan and Hon'ble Minister for Revenue and Rehabilitation, Govt. of Madhya Pradesh Sh Rampal Singh.

The World's largest terry towel plant inaugurated today by Trident comprises of 300 looms and will add about INR 1800 Cr to its annual revenue. With this expansion, the installed capacity of Trident has increased to 688 looms capable of producing 90,000 TPA of terry towels, making Trident the largest manufacturer of terry towels in the world.

The Press release issued on this occasion is enclosed.

This is for your information please.

Thanking you

Yours faithfully

For **Trident Limited**
