**6) Major Contracts of the company**

**A) Implementation and Management of Cloud-Based Virtual Classroom System in Identified Schools in Andhra Pradesh**

The total contract value of the Andhra Pradesh State Fibernet Limited (APSF) project amounts to Rs. 160 Crores inclusive of GST. This comprises Rs. 80 crores for the supply of materials and installation of video conferencing equipment and the balance Rs. 80 crores towards operations and maintenance. The company has completed a major portion of the supply contract. Balance work at 59 schools, 1 District Studio and Central Studio is still pending for completion due to non-allocation of sites from APSFL. The Company has recognized revenue of Rs. 79.90 crores in respect of the supply contract which includes unbilled revenue of Rs. 49.73 lacs up to 31st March 2025. This is in line with IND AS 115 - (Revenue from contracts with customers) accounting for contracts based on completion of the performance obligation. Against the milestone billings done of Rs. 79.40 crores, Rs. 17.90 crores have been received and balance of Rs. 61.50 crores are outstanding for more than 5 years. The Company is also holding an inventory of Rs. 2.17 crores as on 31st March 2025.

The operation and maintenance part of the contract was taken up in February 2019. The management has not booked any Quarterly Guaranteed Revenue on this part of the contract amounting to Rs. 80 crores, in view of uncertainty of collection. Keeping in view the old outstanding of Rs. 61.50 crores being carried forward and poor collection till date, the management is of the view that their decision for not accounting unbilled revenue for AMC charges is justified and proper due to uncertainty of collection. In support of the management's stand, the company has obtained an opinion from a subject matter expert as of 31st March 2022.

The management has not classified the outstanding balance as doubtful of recovery and no provision has been made towards old outstanding. However, as per the Company's policy, the company has made an Expected Credit Loss (ECL) provision of Rs. 2.38 crores in Quarter 4 of the financial year 2024-25. The cumulative ECL provision made is Rs. 50.31 crores for the above outstanding.

The company has made adequate provision for the claim raised by NMSCDDL and have contested the termination by filing for Commercial Arbitration with the Commercial Division in Nashik to seek appropriate reliefs under the Arbitration and Conciliation Act, 1996. NMSCDDL has appointed Mr. Jayant T. Nashikar as their arbitrator. We will be appointing our arbitrator as soon as possible, after which both appointed arbitrators will jointly select a third arbitrator to complete the tribunal. We also note that NMSCDDL has filed a Pursis stating that the Bank Guarantee (BG) will not be invoked until their written statement is filed. Regarding the financial performance during the quarter, we have charged a total expenditure of Rs. 26.66 lakhs in the Statement of Profit & Loss. Additionally, we have amortized an amount of Rs. 22.48 lakhs related to the capitalized portion of completed sites. For the full year, the company sold obsolete items from the capitalized portion of completed sites for Rs. 1.35 Lakhs. This resulted in a loss of Rs. 1.17 Crores, which has been classified as an exceptional item in the Statement of Profit & Loss. Mediation Application No. G.L.No.985/2025 was filed before the Machilipatnam Court against ISYX Technologies and GUMBHI as Defendant parties. The matter will be listed in the month of June, 2025 after court re-opens.

Thereafter a commercial suit was filed against Trigyn in Civil Court Senior Division Nashik on 05-08-2023. First date of hearing was on 11th August 2023. In this respect the Company has filed Vakalatnama and submission to allow the court to appear through advocate. The next date of hearing is 10th June, 2025.

g) Arbitration filed seeking relief on notice of termination by Nashik Municipal Smart City Development Corporation Ltd (NMSCDDL). Due to the dispute between Trigyn and NMSCDDL a termination notice was sent to TTL on Monday, September 4, 2023. Trigyn has disputed the termination and filed for a Commercial Arbitration at Commercial Division Nashik for seeking appropriate reliefs under the Arbitration and Conciliation Act, 1996 after Notice of Termination Letter was revived from the NMSCDDL. Pursis on behalf of NMSCDDL has been filed stating that until filing of written statement the BG will not be invoked. NMSCDDL has appointed Mr. Jayant T. Nashikar, former Secretary, PWD Govt of Maharashtra. Trigyn will appoint one Arbitrator ASAP and thereafter both the Arbitrators will appoint one Arbitrator. Total Three Arbitrators will be appointed. NMSCDDL has submitted their written statement in the court and Trigyn has to reply on the same by 13-02-2024. The court instructed that the dispute be resolved through mediation, with a physical meeting held on March 5, 2024, and an online meeting on March 12, 2024. The matter was further discussed on March 20, 2024, when Trigyn presented its mediation proposal. However, NMSCDDL neither accepted Trigyn's proposal nor provided a written counter-proposal, leading to a failed mediation. The court addressed the matter on May 10, 2024, but since it was the court's last working day, the hearing was rescheduled for June 14, 2024. The matter was heard on July 1, 2024 and July 5, 2024. Trigyn pleaded to the Hon'ble court to instruct the Smart City to appoint Arbitrator to represent them for the matter. The petition is being admitted. Trigyn has disputed the termination and filed for a Commercial Arbitration at Commercial Division Nashik for seeking appropriate reliefs under the Arbitration and Conciliation Act, 1996 after Notice of Termination Letter was revived from the Nashik Municipal Smart City Development Corporation Ltd.

Lawyers from both the side were present for hearing in the Nashik District court on September 30, 2024, however due to time constraint the matter was adjourned upon October 21, 2024. The Hon'ble court on 22.10.2024 passed an order accepting the prayer of Trigyn that pending the arbitral proceedings or making of the Arbitral Award and until passing of the final execution of the Arbitral Award, the Respondents be restrained by themselves, their servants, and agents from invoking the Bank Guarantee dated 14/05/2018. We have filed a petition for appointment of Arbitrator and the matter has been listed on 11th June, 2025.

The management has evaluated all the pending legal cases in consultation with their legal counsel and they believe that they have got a good case and expect a favorable outcome in most of the above cases.

8 Other expenses of the Company includes ECL provision Rs. 1.88 crores for Q4 and Rs. 9.61 crores for the current year. The cumulative ECL provision made is Rs. 52.55 crores.

9 The company has received a show cause cum demand notice from GST department for the FY 2019-20 to FY 2022-23 of Rs. 9.08 crores disallowing the Input Tax Credit claimed by the company during that period. The company has responded for show cause cum demand notice. The matter is pending before the Joint Commissioner, Mumbai. The Company believes that Department claim is not just assumptive in nature but also clearly contrary to the scheme of GST being a value added tax and to the scheme of SEZ Act 2005 to not burden the SEZ units with taxation.

10 The exceptional item for the quarter & year to date ended represents provision for the loan given to the subsidiary Rs. 1.96 Lakhs and Rs. 11.37 Lakhs, respectively. In addition, loss on sale of obsolete items from capitalized portion of the completed sites Rs. 1.17 Crores for the year.

11 A search u/s 132 of the Income Tax Act was conducted by the Income Tax department on 29th August 2018. Thereafter the notices were issued for the block assessment for the period 2014-15 to 2019-20 (7 assessment years). The company has received the assessment orders for said Block raising a fresh demand of Rs.3.14 crores. The main reason for the demand is on account of adjustments to the returned income made at the processing stage and in one case dividend distribution tax credit has not been considered by the department which has resulted in wrongful addition. There being mistakes apparent from records, the company filed appeals/rectifications wherever applicable in consultation with the company's tax advisors. Hearing is in progress.

**Notes to Consolidated Financials Results**

1 The audited financial statement for the quarter and year ended March 2025 has been reviewed by the audit committee on May 29, 2025 and approved by the Board of Directors on May 30, 2025. The financial results of the company have been prepared in accordance with Indian Accounting Standards (IND AS), the provisions of the Companies Act, 2013, and guidelines issued by the Securities and Exchange Board of India.

2 Figures for the quarter ended 31st March are the balancing figures between the audited figures in respect of the full financial year and the published year-to-date figures up to the third quarter of the relevant financial year subjected to limited review.

3 In terms of IND AS 108, the company is having single reportable segment i.e. "Communication and information technology staffing support services".

4 The company has provided for gratuity and leave encashment on proportionate basis as per actuarial valuation report for the year ended 31st March 2025, except in case of overseas subsidiaries where provision is made as per local applicable laws.

5 The financial statements of subsidiaries Leading Edge Intotech Limited (LEIL) and Trigyn Technologies India Private Limited (TTPI) have been prepared on going concern basis despite the negative net worth of the Company as at the year end. As of 31st March 2025, both the above companies are not in a position to meet their commitments on their own and are totally dependent on the financial support of the Holding company. The management is in the process of taking steps to revive the business and is also exploring other alternatives such as merger/amalgamation/liquidation. Since both the companies are supported by the holding company, the financial statements have been prepared on going concern basis despite the negative net worth of these companies at the year-end.

6 The audited financials of the subsidiaries namely Trigyn Technologies Inc. USA, Trigyn Technologies (India) Private Limited, Leading Edge Intotech Limited, Trigyn Fin-Tech Pvt. Ltd., Trigyn EduExpert Pvt. Ltd., Trigyn E-Governance Pvt. Ltd., and Trigyn Healthcare Pvt. Ltd. are considered for consolidation during the quarter and year ended March 31, 2025. 8 At March 31, 2025, TTI determined that the expected future revenue on its capitalized software was less than the carrying value. Accordingly, the Company recognized an impairment loss of Nil (PY Rs. 107.67 Lakhs) included in Other Expenses. Amortization expense on capitalized software for the years ended March 31, 2025, and 2024 amounted to Rs. 101.46 Lakhs and Rs. 206.93 (included under depreciation/amortization), respectively.

9 The subsidiary, TTS, through its Board resolution dated 16th July 2024, decided to initiate liquidation proceedings and appointed F Trust as the liquidator. As of 31st March 2025, TTS remains in existence under liquidation, with a reported net loss for the year of Rs. 131.91 lakhs and a net worth of negative Rs. (36.09) lakhs. The financial impact of TTS's operations is not disclosed as a discontinued operation in the financial statements because the scale of its operations and the resulting financial figures are immaterial in the context of the consolidated financial statements of the Group. The immateriality assessment is based on the quantitative insignificance of TTS's net loss and net worth relative to the overall financial performance and position of the Group. This treatment is in compliance with Ind AS 105: Non-current Assets Held for Sale and Discontinued Operations, which permits entities to consider the materiality principle when applying the standard's disclosure requirements.

10 Trigyn Technology Inc., USA recognized a provision for the entire amount of USD 4 Million (INR. 33.11 Crores) due from AM Alloy Industries SDN BHD, incorporated under the laws of Malaysia, in the financial year 2023-24. This provision was included within other expenses during that financial year. Trigyn Technology Inc., USA has initiated the process of engaging legal counsel for this matter. The company is examining all available legal avenues to recover the aforementioned loan, along with applicable interest, from the concerned entity.

11 On June 15, 2021, the Company entered into the Series A Unit Purchase Agreement with Aaruha Technology Fund II and effectively purchased 700 units of Aaruha Technology Fund II's preferred units. **Major Contracts of the company**

**A) Implementation and Management of Cloud-Based Virtual Classroom System in Identified Schools in Andhra Pradesh**  
The total contract value of the Andhra Pradesh State Fibernet Limited (APFSL) project amounts to Rs. 160 Crores inclusive of GST. This comprises Rs. 80 crores for the supply of materials and installation of video conferencing equipment and the balance Rs. 80 crores towards operations and maintenance. The company has completed a major portion of the supply contract. Balance work at 59 schools, 1 District Studio and Central Studio is still pending for completion due to non-allocation of sites from APFSL. The Company has recognized revenue of Rs. 79.90 crores in respect of the supply contract which includes unbilled revenue of Rs. 49.73 lacs up to 31st March 2025. This is in line with IND AS 115 - (Revenue from contracts with customers) accounting for contracts based on completion of the performance obligation. Against the milestone billings done of Rs. 79.40 crores, Rs. 17.90 crores have been received and balance of Rs. 61.50 crores are outstanding for more than 5 years. The Company is also holding an inventory of Rs. 2.17 crores as on 31st March 2025.

The operation and maintenance part of the contract was taken up in February 2019. The management has not booked any Quarterly Guaranteed Revenue on this part of the contract amounting to Rs. 80 crores, in view of uncertainty of collection. Keeping in view the old outstanding of Rs. 61.50 crores being carried forward and poor collection till date, the management is of the view that their decision for not accounting unbilled revenue for AMC charges is justified and proper due to uncertainty of collection. In support of the management's stand, the company has obtained an opinion from a subject matter expert as of 31st March 2022.

The management has not classified the outstanding balance as doubtful of recovery and no provision has been made towards old outstanding. However, as per the Company's policy, the company has made an Expected Credit Loss (ECL) provision of Rs. 2.38 crores in Quarter 4 of the financial year 2024-25. The cumulative ECL provision made is Rs. 50.31 crores for the above outstanding.

**B) Design, Development, Implementation, Operation, and Maintenance of Smart Parking Solution at Nashik**  
Nashik Municipal Smart City Development Corporation Ltd (NMSCDDL) had issued a termination notice to the company on September 4, 2023 on account of dispute with the company. The company has made adequate provision for the claim raised by NMSCDDL and have contested the termination by filing for Commercial Arbitration with the Commercial Division in Nashik to seek appropriate reliefs under the Arbitration and Conciliation Act, 1996. NMSCDDL has appointed Mr. Jayant T. Nashikar as their arbitrator. We will be appointing our arbitrator as soon as possible, after which both appointed arbitrators will jointly select a third arbitrator to complete the tribunal.
