The Company has assessed and disclosed the incremental impact of these changes on the basis of legal opinion obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as Statutory impact of new Labour Codes under Exceptional items in the interim statement of profit and loss for the period ended December 31, 2025. ### Major Contracts of the company

**A) Implementation and Management of Cloud-Based Virtual Classroom System in Identified Schools in Andhra Pradesh**  
The total contract value of the Andhra Pradesh State Fibernet Limited (APSF) project amounts to Rs. 160 Crores inclusive of GST. This comprises Rs. 80 crores for the supply of materials and installation of video conferencing equipment and the balance Rs. 80 crores towards operations and maintenance. The company has completed a major portion of the supply contract. Balance work at 59 schools, 1 District Studio and Central Studio is still pending for completion due to non-allotment of sites from APSFL. The Company has recognized revenue of Rs. 79.90 crores in respect of the supply contract which includes unbilled revenue of Rs. 49.73 lacs up to 31st December 2025. This is in line with IND AS 115 – (Revenue from contracts with customers) accounting for contracts based on completion of the performance obligation.

Against the milestone billings done of Rs. 79.40 crores, Rs. 17.90 crores have been received and balance of Rs. 61.50 crores are outstanding for more than 6 years. The Company is also holding an inventory of Rs. 2.17 crores as on 31st December 2025. The operation and maintenance part of the contract was taken up in February 2019. The management has not booked any Quarterly Guaranteed Revenue on this part of the contract amounting to Rs. 80 crores, in view of uncertainty of collection. Keeping in view the old outstanding of Rs. 61.50 crores being carried forward and poor collection till date, the management is of the view that their decision for not accounting unbilled revenue for AMC charges is justified and proper due to uncertainty of collection. In support of the management's stand, the company has obtained an opinion from a subject matter expert as of 31st March 2022. The management has not classified the outstanding balance as doubtful of recovery and no provision has been made towards old outstandings. However, as per the Company's policy, the company has made an Expected Credit Loss (ECL) provision of Rs. 2.80 crores in Quarter 3 of the financial year 2025-26.
