Despite bringing the same to the attention of the adjudicating authority, the same has not been appropriately considered in the present order. The company has received the assessment orders for said Block raising a fresh demand of Rs.3.14 crores. The main reason for the demand is on account of adjustments to the returned income made at the processing stage and in one case dividend distribution tax credit has not been considered by the department which has resulted in wrongful addition. There being mistakes apparent from records, the company filed appeals/rectifications wherever applicable in consultation with the company’s tax advisors. Hearing is in progress.
