Dear Mr. Mukesh Tank,

I have been associated with the TTL for about a decade now and I hope I have helped the organisation grow. Much as I would have liked to continue on this board my personal commitments do compel me to step down.

I have decided to resign from the Board of Directors of Trigyn Technologies effective from 30/09/2024. This mail may please be taken as my letter of resignation. Please do take follow up action as per statutory requirements including informing the Regulatory authorities.

I am sending this letter to you since I am not aware of whether a chairman has been nominated as Mr. Ganapathi had already informed the board long back that he was stepping down as chairman. I want to thank Mr. Ganapathi, and the board for the opportunity to serve alongside such dedicated colleagues as Dr.Rao.

I have valued my interactions with you Mr. Mukesh Tank, Mr. Parthasarathy Iyengar, and Mr. Amin Bhojani, whose professionalism and commitment I deeply respect.

I wish Trigyn the very best as it navigates the future and hope the company achieves the growth and success it deserves.

Best wishes from K S.SRIPATHI
