3 On July 13th this year GETCO (Gujarat Energy Transmission Corporation Limited) issued STOP DEAL (Not Black List) Notice to the company intimating that it has decided to stop dealing with the Company for the period of 3 years on the ground that Company had allegedly submitted forged Material Dispatched Clearance Certificate (MDCC) relating to 20 Transformers supplied by the Company under the ongoing contract for supply of 29 Transformers and 1 reactor to GETCO.

As per the Purchase Policy of the parent Company of GETCO i.e. GUVNL (Gujarat Urja Vikas Nigam Limited), if Stop Deal order is issued to any supplier same will be applicable to new business opportunities or where the tender is not awarded. Purchase policy of GUVNL clearly mentioned that it does not have any impact on existing contract or contract which is awarded to supplier and delivery has started under the same nor it will have any impact on outstanding receivables.

In case of the Company payment has been delayed because the transformers that are said to be supplied under the wrong documents are to be retested. The re test of 8 transformers has been done successfully and the same has been dispatched under the fresh delivery Instruction (DI) given by GETCO. The balance transformers are already commissioned and are in operational in good condition. The Company expects that payment process to start by end of August 2023 or early September 2023.

Company is representing its case to GETCO management to reconsider the stop deal order and revoke the same, management is hopeful to get it revoked in near future.

4 Finished goods includes Rs. 2,210.83 lakhs during the Quarter (on June 30,2022 Rs. 335.84 lakhs; March 31,2023 Rs. 1,474.85 lakhs) goods in transit.

5 The figures of March 31, 2023 quarter are the balancing figures between audited figure, in respect of the full financial year upto March 31, 2023 and the unaudited published year-to-date figures upto December 31, 2022, being the data of the end of the third quarter of the financial year which were subjected to limited review.

6 The operations of the Company are limited to one segment, namely Manufacturing of Transformers. Accordingly, disclosure under Indian Accounting Standard (Ind AS) 108 on operating segments is not applicable to the Company.

7 Figures of previous periods have been regrouped /rearranged wherever necessary, to make them comparable.
