Dear Sir,

SUB: Transformers and Rectifiers (India) Ltd - Successful Short Circuit testing of 315 MVA, 400/220/33kV, Autotransformer at KEMA, Netherlands

Pursuant to Clause 36 and other applicable clauses of the Listing agreement this is to inform you that the Company has successfully manufactured 315 MVA, 400/220/33kV Autotransformer as a part of its in-house R&D project and was successfully tested for dynamic short-circuit test at the world renowned independent KEMA High Power Test Lab in Arnhem, The Netherlands.

This momentous test was witnessed at KEMA Laboratories by Engineers of Transformers and Rectifiers (India) Ltd.

Successful passing of this test had once again demonstrated the design and manufacturing acumen of the Company, positioning the Company as one of the leading transformer manufacturers of India who have successfully tested such ratings of transformers at KEMA.

The successful short circuit testing of 315 MVA, 400/220/33kV transformer will qualify the Company for participation in large rating of 400 kV class auto transformer tenders of transmission utilities.

About Transformers and Rectifiers (India) Ltd:

Transformers and Rectifiers (India) Limited incorporated in 1994 has consolidated its position in the Indian Transformer industry as a manufacturer of a wide range of

transformers, which conform to the quality expectations of both the domestic and the international market. An ISO 9001 & 14001 & BS OHSAS 18001 company today, T&R as it is more popularly known, is proud to have executed a number of prestigious orders from developed countries such as Canada and the United Kingdom.

The capability to develop world class power, distribution, furnace and special duty transformers is credited to the creation of a world class infrastructure at three plants around the city of Ahmedabad, one of the leading industrialized cities of India. This facility is equipped with world class state of the art equipment and managed by a highly skilled and experienced team of production personnel who consistently ensure that each and every production activity factors in an adherence to the high quality benchmarks established by the organization.

Please take the same on your record.

Thanking you,

Yours faithfully,
For Transformers and Rectifiers (India) Ltd

Jitendra Mamtara
Chairman and Wholetime Director
