TSC India Ltd Expands Footprint in Southern India

Jalandhar, 20th March 2026: TSC India Limited (NSE – SME: TSC), a leading B2B travel services company, has **expanded its footprint into Southern India** as part of its ongoing strategy to strengthen its presence in high-growth regional markets across the country.

As part of this expansion, the company has **appointed an Area Manager for Kerala**, based in **Thiruvananthapuram**, to establish a stronger on-ground presence and accelerate the growth of its travel partner network in the region. TSC India is actively engaging with travel agents across Kerala and neighbouring markets to onboard new partners and deepen its regional network.

In line with this strategy, the company plans to establish a dedicated office in **Thiruvananthapuram, Kerala**, which will serve as a regional hub to support local agents with faster service, improved connectivity, and dedicated assistance. Once operational, the office is expected to enhance partner engagement and enable more efficient service delivery across Southern India.

Commenting on the expansion, Mr. Ashish Kumar Mittal, Managing Director of TSC India Ltd, said: *“Kerala represents a high-potential market for us, and we are already witnessing strong traction from travel agents in the region. Our focus is on building a robust presence in South India by strengthening local partnerships and providing agents with better access to our platform and services. The upcoming office will play an important role in supporting our long-term growth strategy in the region.”*

About TSC India Limited:

TSC India Ltd is a B2B travel services company providing airline ticketing and related solutions to a wide network of travel agents across India. The company focuses on delivering efficient, technology-driven services to empower agents and enhance their booking capabilities.
