TSC India Ltd Strengthens Market Presence Through Strategic Expansion Across Key Regions

Jalandhar, June 23, 2026: TSC India Ltd (NSE - SME: TSC), an integrated ticketing solutions company in India, continues to strengthen its national footprint through strategic expansion initiatives aimed at enhancing customer engagement, improving regional outreach, and supporting long-term business growth.

As part of its growth strategy, the Company has successfully established a **new branch office in Vadodara**, further **strengthening its position in South Gujarat** and enabling closer engagement with customers and business partners in the region.

In addition, TSC India has expanded its human capital by onboarding a dedicated **business development and operations team in Chandigarh**, which will focus on the **Tricity region** (Chandigarh, Mohali, and Panchkula) as well as **Haryana**, enhancing the Company's ability to cater to growing demand and improve execution capabilities across these markets.

Further reinforcing its regional sales network, the Company has appointed a **sales professional based in Rajkot**, who will focus on driving customer acquisition, strengthening relationships with event organizers, and expanding the Company's reach across emerging markets in Gujarat.

Commenting on the expansion initiatives, Mr. Ashish Kumar Mittal, Managing Director of TSC India Ltd, said: *“The expansion of our regional presence through the Vadodara branch, Chandigarh team, and Rajkot sales representative reflects our commitment to building a stronger and more accessible organization. These initiatives will help us enhance customer service, deepen market penetration, and create a robust platform for future growth. We remain focused on strengthening our operational capabilities while expanding our reach across key markets in India.*”

The Company believes these strategic additions will further improve operational efficiency, support business development efforts, and position TSC India to capitalize on emerging opportunities within the event ticketing and experiential services ecosystem.”
