PRESS RELEASE

Tata Technologies strengthens its leadership team with the appointment of Anish Raghunandan as President and Client Partner – Tata Motors Group

- Anish Raghunandan steps into the role of President and Client Partner – Tata Motors Group with a focused agenda to drive deeper collaboration and synergies across Tata Motors and JLR, reinforcing Tata Technologies commitment to customer-centric innovation.
- Anish will focus on aligning Tata Technologies role towards accelerating Tata Motors transformation journey including electrification, smart manufacturing, and AI-led engineering, enabling a faster time-to-market for next-gen vehicles.
- With over two decades of experience at companies like Tata Industries, Tata Sons, Tata Consultancy Services (TCS) and Tata Class Edge, Anish brings a deep understanding of business strategy, operational excellence, and large-scale enterprise growth that will be instrumental in our journey towards engineering a better world.

Pune, Mumbai, Delhi, Bengaluru, India, February 28, 2025: Tata Technologies, a global product engineering and digital services company, today announced the appointment of Anish Raghunandan as President and Client Partner – Tata Motors Group, effective immediately. Anish will lead Tata Technologies engagement with Tata Motors Limited (TML) and Jaguar Land Rover (JLR), strengthening strategic alignment and driving synergies across the Tata Motors Group to accelerate growth and transformation.

Anish brings over 22 years of leadership experience across engineering, technology, and digital transformation, having worked in key leadership roles at Tata Industries, Tata Sons, Tata Consultancy Services (TCS), and Tata Class Edge. A Tata Group veteran, Anish previously served as CEO of Tata Class Edge, where he successfully led a complete business transformation, improving profitability,

reducing cash burn, and scaling operations. His experience in managing large, complex relationships with clients will significantly strengthen Tata Technologies' ability to navigate evolving business landscapes and scale up its engagement with Tata Motors Group. His earlier tenure at Tata Technologies saw him lead the East & South Asia business.

As President and Client Partner – Tata Motors Group, Anish will focus on enhancing strategic collaboration with Tata Motors and JLR, aligning Tata Technologies expertise in full-vehicle engineering, vehicle software and smart manufacturing to accelerate Tata Motors Group's transformation. He will strengthen synergies across the Tata Motors Group ecosystem, leveraging Tata Technologies' deep domain expertise to drive efficiency, innovation, and best practice sharing. His focus will also include supporting Tata Motors electrification, smart manufacturing, and AI-led engineering initiatives, enabling a faster time-to-market for next-generation vehicles and delivering an enhanced customer experience.

Mr. Warren Harris, CEO & MD, Tata Technologies, welcomed Anish's appointment, stating: "Anish's return to Tata Technologies comes at a pivotal time as we deepen our collaboration with Tata Motors Group to help them accelerate their transformation journey. His strategic leadership and ability to scale businesses will be instrumental in driving synergies across the Tata Motors Group – Tata Motors and JLR and aligning Tata Technologies plans with Tata Motors group's plans. With the automotive industry undergoing a massive transformation, this role is crucial in helping Tata Motors Group accelerate its transformation. We are excited to have Anish lead this engagement and strengthen our position as a trusted partner in engineering a better world."

Expressing his enthusiasm for the new role, **Anish Raghunandan, President and Client Partner – Tata Motors Group, Tata Technologies**, said: "I am thrilled to rejoin Tata Technologies at such an exciting juncture. Tata Motors and JLR are at the forefront of innovations in mobility. I look forward to driving deeper collaboration, enhancing value creation, and enabling innovative AI-led software-defined solutions that power the future of mobility. Tata Technologies vision of engineering a better world resonates deeply with me, and I am eager to contribute to its growth journey."

Anish's appointment underscores Tata Technologies commitment to strengthening leadership, accelerating innovation, and reinforcing its role as a strategic partner to Tata Motors Group. With a relentless focus on turnkey product development, AI-led digital transformation, and vehicle software solutions, Tata Technologies is poised to shape the future of mobility.

The Board of Tata Technologies sincerely thanks Prahalada Rao for his leadership and dedication as President & Client Partner – Tata Motors (TML). His contributions have strengthened our relationship with Tata Motors Group and driven key strategic initiatives. We deeply appreciate his efforts and wish him success in his future endeavours.

Ends

About Tata Technologies:

Tata Technologies (BSE: 544028, NSE: TATATECH) is a global product engineering and digital services company focused on fulfilling its mission of helping the world drive, fly, build, and farm by enabling its customers to realize better products and deliver better experiences. Tata Technologies is the strategic engineering partner businesses turn to when they aspire to be better. Manufacturing companies rely on Tata Technologies to enable them to conceptualize, develop and realize better products that are safer, cleaner, and improve the quality of life for all the stakeholders, helping us achieve our vision of #EngineeringABetterWorld.
