Dear Sir / Madam,

Re.: Migration of Company's Unified Access Service Licences to Unified Licence

We would like to inform you that the Company i.e., Tata Teleservices (Maharashtra) Limited had two Unified Access Service ("UAS") licenses for Mumbai and Maharashtra Service Area and these were expiring in September 2017. As per the Guidelines announced by the Department of Telecommunications, the UAS licensing regime has been replaced with an umbrella license called Unified License ("UL").

In view of the above, the Company had applied for migration of its UAS licenses in Mumbai and Maharashtra and ISP licence to UL. The Company has signed the UL Agreement for Access service in Mumbai and Maharashtra and Internet Service (Category A with All India jurisdiction). The said UL is valid for 20 years effective November 2, 2016. There is no change in the validity of spectrum currently held by the Company as the spectrum has been delinked from UL.

This is for your information and records.

Thanking you,

Yours faithfully,
For Tata Teleservices (Maharashtra) Limited

Kiran Thacker
Company Secretary
