Notes:

- 1 The accumulated losses of the Company as of December 31, 2023 have exceeded its paid-up capital and reserves. The Company has incurred net loss for the quarter and nine months ended December 31, 2023 and the Company's current liabilities exceeded its current assets as at that date. The Company has obtained a support letter from its ultimate holding company indicating that it will take necessary financial actions to organize for any shortfall in liquidity during the period of 12 months from the balance sheet date.
Based on the above, the Company is confident of its ability to meet the funds requirement and to continue its business as a going concern and accordingly, the financial results have been prepared on that basis.
- 2 The Company has On October 17, 2023 filed a Curative Petition in Hon'ble Supreme Court requesting it to reconsider levy of interest, penalty and interest on penalty. The company has also drawn Hon'ble Supreme Court's attention to the fact that mathematical/calculational errors exist in the amounts claimed by DoT and that a review petition on this aspect is pending consideration before the Hon'ble Court.
- 3 On October 16, 2023, the Hon'ble Supreme Court of India pronounced a judgement regarding the treatment of licence fee paid on Adjusted Gross Revenue (AGR) to DOT since July 1999, as capital expenditure in nature and not revenue expenditure for the purpose of computation of taxable income in a matter to which the Company is not a party. Further, there have been no additions/disallowances in earlier years, by the tax authorities, on the licence fee payments claimed by the Company as a revenue expenditure in its tax filings.
However, in the event of any reopening of assessment applying the aforesaid judgement, it is likely to be a timing difference of tax losses on account of deferment of deduction over the period of license and there will not be any tax liability in view of huge tax losses.
- 4 Exceptional items comprises of the following:
Considering all the facts and various legal precedence, on a conservative and prudent basis, the Company has made a provision of Rs. 5.27 crores towards litigation relating to municipal taxes and infrastructure charges in the statement of profit and loss for the nine months ended December 31, 2022 and year ended March 31, 2023.
