TVS MOTOR COMPANY ROLLS OUT TVS KING KARGO HD CNG

- Rollout begins in key markets in phase wise manner with an introductory price of Rs. 2,70,648/- (Ex-showroom, Delhi)*
- Designed for efficient last-mile cargo operations with higher load carrying capacity, comfort and cost of ownership.

Bengaluru, February 5, 2026: TVS Motor Company, a global leader in two and three-wheeler manufacturing, today announced the availability of the **TVS King Kargo HD CNG**. The rollout will commence in **Delhi NCR, Haryana, Rajasthan, Gujarat, Maharashtra, Karnataka and Uttar Pradesh** in a phase wise manner. The TVS King Kargo HD CNG is available at an introductory price of **Rs. 2,70,648/- (Ex-showroom, Delhi)***.

Powertrain & Key Features

Powered by a **301.1 cc liquid-cooled engine**, the TVS King Kargo HD CNG delivers **9.1 kW of power** and **22.4 Nm of torque**, ensuring consistent and reliable performance even under heavy load, making it ideal for demanding last-mile cargo operations across urban and semi-urban markets.

Key Features:

- **Best-in-segment 6.6 ft load deck** for higher load carrying capacity
- **Industry-first fully rolling windows** for improved in-cabin comfort
- **Power gear** enhancing gradability, mileage and ease of driving under load
- Engineered for **efficient last-mile cargo operations** in congested city conditions

Durability & Comfort

Built for durability and ease of operation, the vehicle comes with a robust leaf spring suspension. It offers an upscale and ergonomic cabin, with a top speed of 62 km/h, ground clearance of 235 mm and a turning radius of 3,420 mm. The TVS King Kargo HD CNG is backed by a 3-year / 1.5 lakh km warranty, reinforcing TVS Motor Company's commitment to quality and long-term customer assurance.

PRESS RELEASE

Service touchpoints

The vehicle is backed by a robust service ecosystem comprising over 470 service touchpoints across authorized main dealers, branches, dealerships, and service centers, along with 3 years of roadside assistance for added peace of mind. This is further strengthened by a well-established secondary support network for private garage mechanics, ensuring wide accessibility, quicker turnaround, and dependable after-sales support across markets.

Commenting on the launch, **Rajat Gupta, Business Head - Commercial Mobility, TVS Motor Company, said**, *“The TVS King Kargo HD CNG has been developed to address the real-world needs of last-mile cargo operators. With segment-first features, higher load capacity and focus on driver comfort, it enables customers to improve operational efficiency while reducing fatigue and overall cost of ownership.”*

With this launch, TVS Motor Company continues to deliver reliable, efficient and future-ready mobility solutions that support customer livelihoods, in line with its brand promise of **‘Thakaan Kam. Kamaai Zyada’** (Less tired. More income).

*** Comes with accessories worth Rs. 2648/-**

About TVS Motor Company

TVS Motor Company (BSE:532343 and NSE: TVSMOTOR) is a reputed two and three-wheeler manufacturer globally, championing progress through sustainable mobility with four state-of-the-art manufacturing facilities located in India and Indonesia. Rooted in our 100-year legacy of trust, value, and passion for customers, it takes pride in making internationally accepted products of the highest quality through innovative and sustainable processes. TVS Motor is the only two-wheeler company to have won the prestigious Deming Prize. Our products have led in their respective categories in the J.D.Power IQS & APEAL surveys and J.D.Power Customer Service Satisfaction Survey. Our group company Norton Motorcycles, based in the United Kingdom, is one of the most emotive motorcycle brands in the world. Our subsidiary in the personal e-mobility space, TVS Ebike Company AG, has a leading position in the e-bike market in Switzerland. TVS Motor Company endeavours to deliver the most superior customer experience across 80 countries in which we operate.
