Speaking on the upcoming season, **Vimal Sumbly, Head Business – Premium, TVS Motor Company**, said, “TVS Racing is driven by the passion for motorsport and a commitment to shape the future of racing talent in India. The PETRONAS TVS India One Make Championship has been a launchpad for aspiring riders, breaking barriers across age and gender. Through our pioneering 'Track to Road' philosophy, we don’t just build champions—we bring cutting-edge race technology to our high-performance TVS Apache motorcycles, ensuring that every rider experiences the thrill of innovation. Safety remains a top priority, with participants equipped with high-standard gear, including Alpinestar airbag jackets, FIM-certified helmets, and FIM-spec racing suits, along with personalized race-tuned machines. We wish all participants an exciting season ahead.”

Since its inception in 1994, over 3000 participants have competed in TVS India OMC, reinforcing TVS Racing’s leadership in developing talent.

TVS One Make Championship – Category Overview

- **TVS Rookie OMC (Launched in 2022):** Designed as an entry point for young and aspiring racers, the Rookie Category allows riders to gain hands-on experience on race-spec TVS Apache RTR 200 motorcycles. Since its launch, over 100 riders have benefited from this initiative.
- **TVS RR310 OMC (Launched in 2018):** Designed for experienced racers, this category features the high-performance TVS Apache RR 310 race bike. Over 300 racers have participated in this program, with many progressing to national and international championships.
- **TVS Young Media Racer Program (YMRP):** Launched in 2017, YMRP offers young automotive and motorsports journalists, along with influencers, a firsthand racing experience. Participants undergo rigorous training, covering both theory and practice, before competing on race-spec TVS Apache RTR 200 4V motorcycles. This initiative sharpens their riding skills, deepens their understanding of motorsports, and reinforces TVS Racing's commitment to nurturing talent within the media community.
- **TVS Women's OMC (Launched in 2016):** TVS Racing became the first Indian manufacturer to introduce an exclusive racing platform for women, promoting gender inclusivity in motorsports. With over 500 trained riders, the initiative provides expert coaching and race-prepped TVS Apache RTR 200 motorcycles.

For over 43 years, TVS Racing has been at the forefront of Indian motorsports, continuously pushing the boundaries of racing excellence. This commitment to innovation and performance extends beyond the racetrack into TVS Motor Company's flagship motorcycle brand—TVS Apache, which celebrates 20 years of engineering excellence this year. The Apache series embodies TVS Racing's 'Track to Road' philosophy, integrating race-derived technology into high-performance motorcycles. Spanning 160cc, 180cc, 200cc, and 310cc models, the lineup features segment-first innovations, from ride-by-wire technology to race-tuned fuel injection.

With over 400,000 riders in the Apache Owners Group (AOG), TVS Apache has built a passionate global community, bringing the thrill of racing to streets and track enthusiasts alike. As it enters its next chapter, TVS Apache remains dedicated to offering cutting-edge performance, redefining what it means to ride with power and precision.

About TVS Racing

TVS Racing, a pioneer in building Motorsports in India since 1982, has been integral in growing the racing performance culture and has been pivotal in engineering the TVS Apache series through the company's "Track to Road" strategy. The brand has redefined the sports segment by focusing on race performance, making it a highly desirable product for sports enthusiasts. This has resulted in TVS Apache and TVS NTORQ 125 becoming the fastest growing brands in their respective segments. TVS Racing is also the pioneer of the One Make Championship in the country, the first Indian manufacturer to introduce the series in India in 1994.
