TVS iQube – The choice of 600,000 customers globally – rides into Indonesia at an introductory price of IDR 29.9 Mn

TVS iQube combines cutting edge technology, robust build quality, and class leading comfort of a premium scooter, with zero tail pipe emissions

Jakarta, June 17, 2025: PT TVS Motor - a subsidiary of TVS Motor Company, one of the world's leading manufacturer of two and three-wheelers - today announced that bookings for its flagship all-electric scooter – TVS iQube, will open soon on June 19. It will be displayed at the new TVS Experience Centre in Rumaradal, Jakarta and will also be seen at the Jakarta Fair, which starts on June 19.

TVS iQube, a choice of more than 600,000 customers globally, is built for a premium riding experience with best-in-class ride comfort. It offers a real-world range of 115 km on a single charge, a choice of ECO and POWER modes and a top speed of 78 kmph. Its quick acceleration delivers 0–40 kmph in just 4.2 seconds making it ideal for urban commuting. With a robust dual pack lithium ion battery and a best-in-class portable 950 Watt charger, the TVS iQube S can be charged from 0-80% in just 3 hours making it convenient and reliable. An ample storage space of 32 litres further enhances the commuting experience.

TVS iQube also has a host of intelligent connected features through its SmartXonnect technology, including a 7-inch TFT cluster, in-built music player control and call acceptance. Additional smart features include vehicle health, safety alerts, geofencing and Q-Park assist. TVS iQube S will be assembled at PT TVS Motor Company manufacturing facility at East Karawang and will be available in three colours – Mercury Grey, Mint Blue and Copper Bronze.

A very attractive introductory price of **IDR 29.9 Million** has been announced for the TVS iQube S for a limited period.

Speaking on the occasion, Mr. James Chan, Sr. Vice President ASEAN, TVS Motor Company, said, *“The introduction of TVS iQube in Indonesia aligns with our vision of transforming the quality of life of people across the world by providing mobility solutions that are exciting, responsible, sustainable and safe. EV adoption in the 2 wheeler segment of Indonesia has seen a strong growth of 101% CAGR in last 3 years. We are pleased to partner the government efforts on promoting EV with a reliable, high quality product and attractive pricing in the form of TVS iQube. We are constantly striving to develop EV capability across our sales and aftersales network to deliver a superior customer experience”*.

Speaking on this key occasion, Mr. Madhu Prakash Singh, Vice President EV International Business, TVS Motor, said *“Globally, the TVS iQube has crossed a milestone of 600,000 happy customers, underscoring its success as a trusted electric mobility option. We are confident that the superior and comfortable riding experience of the TVS iQube will delight our customers in Indonesia. Through our extensive sales*

PRESS RELEASE

and service network, we are committed to delivering an exceptional ownership experience—both in terms of product and after-sales support. We warmly invite our valued customers to test ride the TVS iQube today and take advantage of this attractive introductory price.”
