Dear Sir,

Sub: Clarification /Confirmation on news item appearing in "Media/Publication"

Refer your letter/ e-mail dated 23rd September 2019.

We wish to confirm that the two patents mentioned in the news article have indeed been granted.

For both these Patents, applications were filed way back in 2009. After several rounds of examination by the Patent Office, they have accorded their approval for Patent Number 309268, on 15th March 2019, grant of which was published in the patent journal of the Indian Patent Office on 22nd March 2019 and for Patent Number 320835 on 19th September 2019, grant of which was published on 20th September 2019. This information is available in the public domain on the website of the Indian Patent Office.

As you will kindly note, these items are not required to be disclosed to the public under Regulation 30 of SEBI (LODR) Regulations 2015 without application of materiality.

In terms of "materiality", the Company has uploaded on its website its "Policy for Determination of Materiality of an Event" and it is a considered view of the company based on the terms of the published policy, that this development is not material and price sensitive, requiring a specific disclosure to the stock exchange.

We remain committed to complying with our obligations under applicable law at all points of time.

Trust you will find this response satisfactory.

This is for your kind information, record, and public dissemination.

Kindly acknowledge receipt.

Thanking you,

Yours faithfully
For TVS MOTOR COMPANY LIMITED
