EUROGRIP TYRES SHOWCASES PROTORQ RACING - THE NEW SLICK TYRE RANGE AT PETRONAS TVS INDIA ONE MAKE CHAMPIONSHIP 2026!

Eight years as Technical Partner, Eurogrip strengthens its position in the two-wheeler racing circuit

20th August 2026, Chennai: TVS Srichakra Ltd, India's leading manufacturer of 2 & 3-wheeler and off-highway tyres, powers the PETRONAS TVS India One Make Championship for the eighth consecutive year, underlining its excellence to deliver high performance tyres suited for racetracks.

The 2026 edition of the PETRONAS TVS India One Make Championship began from 14th August, will be a racing extravaganza conducted in 5 phases for the different leagues. The surprise of the season - Eurogrip Tyres showcases the newest offering 'Protorq Racing' – an all-new slick range from the tyre major. The TVS Apache RR 310 and TVS Apache RTR 200 motorcycles are being shod with the slick tyres, in both front and rear fitments.

The new slick tyre, PROTORQ RACING is designed for sharp lean angles and is engineered with racing specific carcass material and construction. A high-grip compound and slick tread offer exceptional surface contact. Protorq Racing exhibits outstanding lean behavior, assuring the confidence you need during high-speed cornering.

Commenting on the partnership **Mr.T.K.Ravi, Chief Operating Officer, TVS Srichakra Ltd, said** "Eurogrip Tyres continues to be a preferred choice among racers. As a specialist in motorcycle tyres, we are proud to see our products perform on the track. Completing eight consecutive years as the technical partner of the PETRONAS TVS India One Make Championship is a significant milestone for us. The partnership has grown stronger year-on-year, reflecting our technological expertise and our continued commitment to developing high-performance 2W tyres. Our innovation journey continues with launch of a high-performance tyre range every year breaking fresh barriers in performance".

On the new product offering, **Mr. V. Sivaramakrishnan, CTO & Dy COO said,** "Racing provides an important platform for us to advance tyre technology through real-world experience. This season marks a new beginning for us, as we introduce our new slick range - the PROTORQ RACING. The demanding track conditions offer our R&D teams valuable insights to enhance tyre performance, handling and rider confidence. These learnings continue to strengthen our technology and enable us to deliver high-performance tyres exacting the needs of our customers."

Talking about the partnership, **Mr. Vimal Sumbly, Head - Premium Business, TVS Motor Company** said, "Racing is at the heart of what we do, and for over four decades, TVS Racing has remained committed to engineering excellence and pushing the boundaries of track performance. Our long-standing collaboration with Eurogrip Tyres is rooted in a shared passion for racing, innovation and precision. The synergy between our race-tuned machines and Eurogrip's specially engineered racing tyres not only enhances performance on the track but also inspires greater confidence in our riders. As we enter a new racing season, our ambition goes beyond competing as we aim to once again raise the bar for motorsport in India.

About TVS Srichakra Ltd.

TVS Srichakra Limited, makers of Eurogrip, TVS Eurogrip and TVS Tyres brands of tyres, is one of India's leading manufacturers and exporters of Two, Three-Wheeler tyres and Off-Highway tyres. Incorporated in 1982, it is one of the verticals of the USD 5 Billion TVS Mobility - the holding company for the businesses. With global research and development capabilities and cutting-edge technology, TVS Srichakra produces industry-leading tyres for the automotive sector in India and worldwide. Headquartered in Madurai, TVS Srichakra has manufacturing facilities in Madurai (Tamil Nadu) and Rudrapur (Uttarakhand) with a production capacity of over 3 million tyres a month. The company has a design centre in Milan, Italy supporting the R&D centre in Madurai and the tyres are tested in Indian, European, and Japanese road conditions. TVS Srichakra's products are available in over 85 countries across the world. In India, the company enjoys a significant market share amongst the original equipment manufacturers and replacement markets and has a comprehensive network of distributors and dealers giving it a robust presence.
