NOTES TO STANDALONE FINANCIAL RESULTS – Q2 FY16

1. The above results were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 9th November, 2015.
2. The Hon'ble Supreme Court had stayed Appellate Tribunal of Electricity (ATE) Order in respect of Standby Charges dispute between the Company and Reliance Infrastructure Ltd. (R-Infra). ATE had directed the Company to refund to R-Infra, as at 31st March, 2004, ₹ 354 crore (including interest thereon). The accumulated interest as at 30th September, 2015 is ₹ 212.76 crore. The Company has furnished a bank guarantee of ₹ 227 crore and also deposited ₹ 227 crore with the Registrar General of Supreme Court, as per its Order. Further, no adjustment for reversal of Standby Charges credited in previous years and estimated at ₹ 519 crore, has been made after Hon'ble Supreme Court stayed ATE Order.

4. The Company, through its wholly owned subsidiaries, has entered into agreements effective 26th November, 2013 for sale of shares in PT Arutmin Indonesia and its associated infrastructure and trading companies, for a consideration of USD 510 million and interest thereon from the effective date to the completion date, subject to closing adjustments. 5. Coastal Gujarat Power Limited (CGPL), a wholly owned subsidiary has reviewed and reassessed the recoverability of the carrying amount of its assets at Mundra and has concluded that no further provision for impairment as at 30th September, 2015 is necessary. In view of the estimation uncertainties, the assumptions will be monitored on a periodic basis by the Management and adjustments will be made if conditions relating to the assumptions indicate that such adjustments are appropriate.
6. Based on the Company's commitment to a future restructuring under which the Company will transfer at least 75% of its equity interests in the Indonesian Coal and Infrastructure Companies to CGPL and having regard to the overall returns expected from the Company's investment in CGPL, including the valuation of investments in the Indonesian Coal and Infrastructure Companies, no provision for diminution in value is considered necessary as at 30th September, 2015 in respect of the Company's long-term investment in CGPL.

For and on behalf of the Board of
THE TATA POWER COMPANY LIMITED

CYRUS P. MISTRY
 Chairman

Date: 9th November, 2015.

**INDEPENDENT AUDITORS' REPORT
TO THE BOARD OF DIRECTORS OF
THE TATA POWER COMPANY LIMITED**

1. We have audited the accompanying Statement of Standalone Financial Results of **THE TATA POWER COMPANY LIMITED** ("the Company") for the quarter and half year ended 30 September, 2015 ("the Statement"), being submitted by the Company pursuant to the requirement of Clause 41 of the Listing Agreements with the Stock Exchanges, except for the disclosures in Part II - Select Information referred to in paragraph 5 below. This Statement has been prepared on the basis of the related interim financial statements, which is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to express an opinion on the Statement, based on our audit of the related interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard (AS-25) on Interim Financial Reporting specified under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India.
2. We conducted our audit of the Statement in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and the disclosures in the Statement. An audit also includes assessing the accounting principles used and the significant estimates made by the Management, as well as evaluating the overall Statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. In our opinion and to the best of our information and according to the explanations given to us, the Statement:
 - (i) is presented in accordance with the requirements of Clause 41 of the Listing Agreements with the Stock Exchanges; and
 - (ii) gives a true and fair view in conformity with the accounting principles generally accepted in India of the net profit and other financial information of the Company for the quarter and half year ended 30 September, 2015.
4. We draw attention to the following matters:
 - (a) Note 2 to the Statement which describes uncertainties relating to the outcome of the Appeal filed before the Hon'ble Supreme Court. Pending outcome of the Appeal filed before the Hon'ble Supreme Court, no adjustment has been made by the Company in respect of the standby charges estimated at Rs. 519 crores accounted for as revenue in earlier periods and its consequential effects for the period upto 30 September, 2015. The

RD

impact of the same on the results for the quarter and half year ended 30 September, 2015 cannot presently be determined pending the ultimate outcome of the matter. Since the Company is of the view, supported by legal opinion, that the Tribunal's Order can be successfully challenged, adjustments, if any, including consequential adjustments to the deferred tax liability fund and the deferred tax liability account, will be recorded by the Company based on final outcome of the matter.

- (b) Note 4 to the Statement which describes the key source of estimation uncertainties as at 30 September, 2015 relating to the Company's assessment of the recoverability of the carrying amount of assets of Coastal Gujarat Power Limited (CGPL), a wholly owned subsidiary that could result in material adjustment to the carrying amount of the long-term investment of Rs. 6,030.42 crores in and loans aggregating Rs. 3,042.88 crores to the said subsidiary. For the reasons explained in the said Note, no provision for diminution other than temporary in value of investment and provision for loans is considered necessary.

Our opinion is not modified in respect of these matters.

5. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged / encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding, in terms of Clause 35 of the Listing Agreements with the Stock Exchanges and the particulars relating to the investor complaints disclosed in Part II - Select Information for the quarter and half year ended 30 September, 2015 of the Statement, from the details furnished by the Registrars .

NOTES TO THE CONSOLIDATED FINANCIAL RESULTS – Q2 FY16

1. The above Consolidated financial results of The Tata Power Company Limited (the Company) were reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 9th November, 2015.
2. The Hon'ble Supreme Court had stayed Appellate Tribunal of Electricity (ATE) Order in respect of Standby Charges dispute between the Company and Reliance Infrastructure Ltd. (R-Infra). ATE had directed the Company to refund to R-Infra, as at 31st March, 2004, ₹ 354 crore (including interest thereon). The accumulated interest as at 30th September, 2015 is ₹ 212.76 crore. The Company has furnished a bank guarantee of ₹ 227 crore and also deposited ₹ 227 crore with the Registrar General of Supreme Court as per its Order. Further, no adjustment for reversal of Standby Charges credited, in previous years and estimated at ₹ 519 crore has been made after Hon'ble Supreme Court stayed ATE Order.
The Company is of the view, supported by legal opinion, that the ATE's Order can be successfully challenged. Hence, adjustments, if any, including consequential adjustments to the Deferred Tax Liability Fund and the Deferred Tax Liability Account, will be recorded by the Company based on the final outcome of the matter.
3. The Company, through its wholly owned subsidiaries, has entered into agreements effective 26th November, 2013 for sale of shares in PT Arutmin Indonesia and its associated infrastructure and trading companies, for a consideration of USD 510 million and interest thereon from the effective date to the completion date, subject to closing adjustments. Pending requisite consents and certain approvals, the above transaction has not been concluded nor accounted.
4. (a) In the case of Coastal Gujarat Power Limited (CGPL), a wholly owned subsidiary of the Company, the Hon'ble Supreme Court has stayed the Orders passed by CERC and APTEL granting compensatory tariff. The Company had been legally advised that it has a good arguable case. However, in view of the above and considering that amounts associated are significant, CGPL has not recognised aggregate revenue of ₹ 325.42 crore for the half-year ended 30th September, 2015 (₹ 133.39 crore for the quarter ended 30th September, 2015) and ₹ 1,776.95 crore for the period from 1st April, 2012 to 31st March, 2015.
(b) CGPL has reviewed and reassessed the recoverability of the carrying amount of its assets at Mundra and has concluded that no further provision for impairment as at 30th September, 2015 is necessary. In view of the estimation uncertainties, the assumptions will be monitored on a periodic basis by the Management and adjustments will be made if conditions relating to the assumptions indicate that such adjustments are appropriate. Certain financial covenants in respect of loans taken by CGPL had not been met. The management has requested lenders to extend the existing waivers. Accordingly, long term loans continue to be classified as long term loans.
(c) Based on the Company's commitment to a future restructuring under which the Company will transfer at least 75% of its equity interests in the Indonesian Coal and Infrastructure Companies to CGPL and having regard to the overall returns expected from the Company's investment in CGPL, including the valuation of investments in the Indonesian Coal and Infrastructure Companies, no provision for diminution in value is considered necessary as at 30th September, 2015, in respect of the Company's long-term investment in CGPL (Standalone results).
5. The distribution amounting to ₹ 85.54 crore for the half-year ended 30th September, 2015 (₹ 43.38 crore for the quarter ended 30th September, 2015) on unsecured perpetual securities considered as equity instruments has been adjusted in Surplus in Statement of profit and loss and not under "Finance Cost".

7. As at 30th September, 2015, the overseas Joint Venture Coal Companies had receivables in respect of Value Added Tax (VAT) input and Vehicle Fuel Tax aggregating to ₹ 8,299.18 crore - Group's share ₹ 2,489.75 crore (31st March, 2015 - ₹ 7,771.36 crore - Group's share ₹ 2,331.41 crore). The Coal Companies expect to recover VAT amounts based on the Coal Contract of Work (CCOW). Further, based on the settlement agreement with Government of Indonesia, no provision is considered necessary.

Further, the Coal Companies are contingently liable for tax, and claims which are either pending or are being processed by the Courts, the outcome of which cannot be presently determined.

8. Tata Power Delhi Distribution Limited (TPDDL) [Group's share being 51%], has not made any adjustments for disallowance with respect to power purchase cost from its Rithala Plant based on the appeal filed by it against the Order of the Delhi Electricity Regulatory Commission (DERC) and supported by a legal opinion that the Order can be successfully challenged. The said adjustments amount to ₹ 226.12 crore including carrying cost for the half-year ended 30th September, 2015 ₹ 12.99 crore (₹ 6.45 crore for the quarter ended 30th September, 2015). The adjustments, if any, will be recorded on the final outcome of the matter.

9. In case of Mandakini Coal Company Limited (Group's share 33.33%), the Hon'ble Supreme Court, vide its Order dated 24th September, 2014, cancelled the allotment of coal blocks. Subsequently, Government of India has promulgated the Coal Mines (Special Provisions) Ordinance, 2014. The said entity had filed a petition with the Hon'ble Delhi High Court, disputing the amount of compensation determined relating to purchase of leasehold land for the coal block.

The Group has recognised, on a prudent basis and included in other expenses for the half-year ended 30th September, 2015, provision in respect of the above ₹ 66.69 crore (₹ Nil for the quarter ended 30th September, 2015).

These interim financial information have been reviewed by other auditors whose reports have been furnished to us by the Management and our report on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors.

5. Based on our review conducted as stated above and based on the consideration of the reports of the other auditors referred to in paragraph 4 above and based on the consideration of the unaudited interim financial information of the subsidiaries and jointly controlled entities which have been certified by the Management referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreements with the Stock Exchanges, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to the following matters:
 - (a) Note 2 to the Statement which describes uncertainties relating to the outcome of the Appeal filed before the Hon'ble Supreme Court. Pending outcome of the Appeal filed before the Hon'ble Supreme Court, no adjustment has been made by the Company in respect of the standby charges estimated at Rs. 519 crores accounted for as revenue in earlier periods and its consequential effects for the period upto 30 September, 2015. The impact of the same on the results for the quarter and half year ended 30 September, 2015 cannot presently be determined pending the ultimate outcome of the matter. Since the Company is of the view, supported by legal opinion, that the Tribunal's Order can be successfully challenged, adjustments, if any, including consequential adjustments to the deferred tax liability fund and the deferred tax liability account, will be recorded by the Company based on final outcome of the matter.
 - (b) Note 4 (b) to the Statement, which describes the key source of estimation uncertainties relating to the assessment of the recoverability of the carrying amount of the assets aggregating to Rs. 14,779.23 crores of the subsidiary, its compliance with debt covenants and classification of long-term borrowings.
 - (c) In case of 2 jointly controlled entities of the Holding Company, the component auditors have drawn attention to matters as stated in Note 7 to the Statement, regarding recoverability of Rs. 8,299.18 crores (Group's share of Rs. 2,489.75 crores) of value added tax and vehicle fuel tax balances, and Group's share in tax claims, and other claims from third parties on the said jointly controlled entities, the outcome of which cannot be presently determined.
 - (d) In case of 1 subsidiary, the component auditor has drawn attention to a matter as stated in Note 8 to the Statement, wherein no adjustment has been made by the subsidiary in respect of income estimated at Rs. 226.12 crores as at 30 September, 2015 which includes carrying cost of Rs. 6.45 crores and Rs. 12.99 crores for the quarter and half year ended 30 September, 2015, respectively. The impact of the above as at 30 September, 2015 cannot presently be determined pending ultimate outcome of the matter. Since the Group is of the view, supported by legal opinion that the disallowance of expenses by the Delhi Electricity Regulatory Commission (DERC) pertaining to the Rithala plant can be successfully challenged, no adjustment has been considered necessary by the Management.

Our report is not modified in respect of these matters.

7. The consolidated financial results includes the interim financial information of 2 subsidiaries and 12 jointly controlled entities which have not been reviewed by their auditors, whose interim financial information reflect total assets of Rs. 296 crores as at 30 September, 2015, total revenue of Rs. 3.23 crores and Rs. 4.89 crores for the quarter and half year ended 30 September, 2015, respectively and total profit after tax (net) of Rs. 0.89 crores and Rs. 1.31 crores for the quarter and half year ended 30 September, 2015, as considered in the consolidated financial results. These interim financial information have been certified by the Management and our report on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and jointly controlled entities, is based solely on such Management certified interim financial information.
8. Further, we also report that we have traced the number of shares as well as the percentage of shareholding in respect of the aggregate amount of public shareholding and the number of shares as well as the percentage of shares pledged/encumbered and non-encumbered in respect of the aggregate amount of promoters and promoter group shareholding in terms of Clause 35 of the Listing Agreements with the Stock Exchanges and the particulars relating to investor complaints disclosed in Part II - Select Information for the quarter and half year ended 30 September, 2015 of the Statement, from the details furnished by the Registrars.
