TCS selected by Nokia as a global IT partner

- *Long term partnership to help transform and modernize Nokia's IT*

Mumbai, January 17, 2013 :Tata Consultancy Services (TCS), (BSE: 532540, NSE: TCS) a leading IT services, consulting and business solutions organization, today announced that it has entered into a long-term agreement with Nokia, a global leader in mobile communications, to help transform its IT landscape.

TCS was selected as a global IT partner after a rigorous selection process aimed at consolidating Nokia's global internal applications suite with a single provider. The company's core applications for enterprise resource planning (ERP), customer relationship management (CRM), product lifecycle management (PLM), supply chain management (SCM), enterprise information management (EIM) and corporate functions (COF) will be supported and developed by TCS across the world.

As a part of this engagement, TCS will work with Nokia in realizing its future IT roadmap, driving consolidation, rationalization and simplification of applications and also enabling business transformation across the core portfolios.

"Over the years TCS has built a strong reputation as a partner that drives simplification and business enablement using its transformational framework that allows companies to drive significant next generation benefits. This deal with Nokia reflects our capability and commitment to the Nordic region. We are delighted to partner with Nokia and contribute to its future evolution," said, Amit Bajaj, Head – Nordic and Baltic Region, TCS.

TCS' Nordic operations comprise over 4,500 professionals working across Sweden, Finland, Norway, Denmark & Iceland, servicing leading Nordic companies such as Nokia, Ericsson, TDC, ABB, Telenor, NETS and SAS. TCS had recently been recognized by a KPMG survey of 340 top Nordic companies as the #1 company in terms of customer satisfaction for the third consecutive year.
