Tech Mahindra to Participate in Oracle OpenWorld 2013

To showcase its connected solutions across IT landscape

San Francisco – September 17, 2013– Tech Mahindra Ltd, a specialist provider of connected solutions to the connected world and enabling future digital enterprises, today announced that it will demonstrate eight connected Oracle solutions cutting across various industries at a 5-day Oracle OpenWorld 2013 beginning September 22, 2013, Moscone Center, San Francisco.

For nearly 17 years, Tech Mahindra's Oracle practice has been making a positive difference to customers by helping them align their businesses with the latest in IT. The company is emerging as a globally trusted leader in providing Oracle solutions for enterprise and telecom domains, delivering superior Project, IT and Business Value to customers.

Oracle MEA recently recognized Tech Mahindra for its efforts in developing Oracle business in the East Africa Region. Tech Mahindra has closed 4 deals in last Fiscal Year in Africa. Our relationship and ability to collaborate with Oracle across the globe is the key differentiator. While Oracle continues to acquire new products at a rapid pace, the partner enablement services provided by Oracle enable us in training our consultants on new technologies and solutions and building new competencies in quick time.

Gurudutt Mudlapur, Global Head, Oracle Practice, Tech Mahindra said *"Tech Mahindra's relationship and ability to collaborate with Oracle across the globe has been the key differentiator. The strong growth in Oracle is a result of Co-developing new solutions and innovative product re-engineering."*

Tech Mahindra was also conferred the **FY'13 Strategic Deal Partner Excellence Award** by Oracle Corporation at the FY14 Oracle India Partner Kick Off and Partner Appreciation Evening.

The delegates can visit booth #711 at Oracle OpenWorld 2013 to experience cutting-edge Oracle solutions across Manufacturing, Telecom, BFSI, Retail, Healthcare, Energy & Utilities and learn about our partnership with Oracle Corporation.
