Thinksoft sets up office in Mumbai

The financial software testing pioneer aims to serve more clients in the nation's financial hub

Chennai, March 14, 2011: Financial Software Testing pioneers, Thinksoft Global Services Ltd., today announced the setting up of its Sales office cum Delivery centre at Andheri, Mumbai, to expand regional presence and also expand clientele in the financial capital.

The company had recently expanded its India infrastructure by adding Delivery centers in Bangalore and Chennai. The office in Mumbai will help to strengthen regional presence and serve local clients with greater efficiency.

A.V.Asvini Kumar, Managing Director, Thinksoft Global Services Ltd., said "In India, there are mega plans as the BFSI sector in the country is yet to exploit the potential of IT deployment. As a result, IT budgets are only going to increase over the years as many organizations will have to go in for large implementation of information systems. We hope to be prepared to capitalize on these coming opportunities."

"Being focused on the BFSI space with the track record of testing Fortune 50 Financial Institutions, we are poised to take advantage of the growing market for financial software testing in India using our Competency Centre and Shared Services (CCSS) Model to support large clients. This helps us to deliver smarter testing solutions faster and cheaper" **added Asvini Kumar.**

About Thinksoft Global:

Thinksoft is a pure-play software testing company, listed on the National and Bombay Stock Exchanges (NSE & BSE). Thinksoft specializes in helping Global Financial sector firms to significantly improve the quality of their applications, software and systems.

Through our domain focus, structured methodologies, offshore delivery centers and test automation expertise, we help clients realize 'business ready software', compress timelines and reduce software product life cycle costs.
