NOTES:
 1. The standalone financial results of United Breweries Limited ("the Company") for the quarter ended June 30, 2022 have been reviewed by the Audit Committee and approved by the Board of Directors at their meetings held on July 26, 2022 and July 27, 2022, respectively, and have been subjected to limited review by the statutory auditors of the Company.
 2. The standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
 3. As per the IAS 108 covering segment, a component of the Company that engages in business activities whose operating results are regularly reviewed by the Company's Chief Operating Decision Maker ("CODM") to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available. Accordingly, the Company has identified its operating segments as below:
 a) Beer - This segment includes manufacture, purchase and sale of beer including licensing of brands
 b) Non-alcoholic beverages - This segment includes manufacture, purchase and sale of non-alcoholic beverages
 Considering the seasonality of the business, the revenue and profits do not accrue evenly over the year in respect of aforesaid operating segments. The Company's CODM does not review assets and liabilities for each operating segment separately, hence segment disclosures relating to total assets and liabilities have not been furnished.
 4. The Company received an order dated September 24, 2021 under Section 27 of the Competition Act, 2002 from the Competition Commission of India ("CCI") (the CCI Order), wherein the CCI concluded that the Company and certain executives (including former executives) of the Company contravened the provisions of Section 3 of the Competition Act, 2002. The CCI levied a penalty of Rs. 75,183 Lakhs on the Company. On December 8, 2021, the Company filed an appeal against the aforesaid CCI Order before the National Company Law Appellate Tribunal ("NCLAT"). The NCLAT vide its order dated December 22, 2021 granted a stay of the CCI Order during the pendency of the appeal, including recovery of the penalty imposed by the CCI, subject to deposit of 10% of the penalty amount by the Company. The Company has accordingly deposited Rs. 7,518.3 Lakhs.
 Based on the advice of the external legal experts, the Company is of the view that the Director General and the CCI has not considered all aspects of its submissions particularly concerning the nature of the regulations governing the manufacture, distribution and sale of beer in India. As advised by the Company's external legal experts, the Company has a strong case on merits, there exists uncertainty relating to the final outcome in this matter, which is dependent on judicial proceedings, and that it is not in a position to reliably estimate the final obligation relating to penalties, if any. Accordingly, no provision has been recorded in the books of account and the same has been considered as a contingent liability in accordance with the IAS 37 - Provisions, Contingent Liabilities and Contingent Assets.
 5. The Bihar State Government ("the Government") vide its notification dated April 5, 2016 had imposed ban on trade and consumption of alcoholic beverages in the State of Bihar. The Company had filed a writ petition with the High Court at Patna, requesting remedies and compensation for losses incurred on account of such prohibition, against which the Government preferred a special leave petition before the Supreme Court of India. Further, the Government did not renew Brewery Licenses for the financial year 2017-18 onwards and consequently the Company discontinued production of beer at Bihar. The matter is currently pending before the Supreme Court for final conclusion.
 During the financial year 2018-19, in order to maintain the assets in running condition, the Company commenced manufacture of non-alcoholic beverages at its existing manufacturing facility at Bihar using its existing property, plant and equipment. The Company carries out an impairment assessment of its property, plant and equipment and the recoverable amount for these property, plant and equipment is determined by an external valuer based on fair value less cost of disposal calculation.
 Effective May 1, 2022, the Company has ceased its manufacturing operations from Bihar unit and has made alternative arrangement for manufacturing non-alcoholic beverages on contract basis with a third-party contractor, considering the economies of scale of operations for non-alcoholic beverages. The Company has received a show cause notice dated June 25, 2022 from Bihar Industrial Area Development Authority (BIADA) for cancellation of its land lease at Bihar considering non-operation of the manufacturing unit. The Company, based on legal advice, has filed its response to the said show cause notice stating that there has been no violation of the BIADA and the notice to the Company is not maintainable. As at June 30, 2022, the carrying value of property, plant and equipment at Bihar is Rs. 9,667 Lakhs (net of impairment) and no further impairment is considered necessary by the management as at June 30, 2022.
