Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), we wish to inform you of the following business developments at Uday Jewellery Industries Limited (“the Company”):

- 1. Job work (customer-supplied gold) model:** The Company is working on a job work model for its large customers, under which the customer will supply the gold and the Company will manufacture jewellery and be compensated for its manufacturing services. This model is expected to reduce the Company’s gold inventory requirement and improve working capital efficiency and increase overall capacity utilization for the Company.
- 2. New focus area – lightweight plain gold jewellery:** The Company is introducing and developing a new focus area in lightweight plain gold jewellery, to widen its product portfolio and address growing demand in this category.
- 3. Supply tie-ups with corporate clients:** The Company is exploring avenues for entering into supply tie-ups with a few large corporate clients for the supply of its jewellery products. This is at a preliminary stage. As on date, no definitive agreement, memorandum of understanding or binding commitment has been executed with any party for this arrangement, and there is no certainty that it will result in a definitive arrangement.

Uday Jewellery Industries Limited

The Company will make further disclosures as required under the SEBI Listing Regulations if and when any definitive agreement is concluded

This disclosure is made in the interest of transparency and to keep the stakeholders informed.

We request you to kindly take the above on record.
