PRESS RELEASE

Uflex acclaimed and awarded by Confederation of Indian Industry (CII) for superior 'Innovation'

18 December 2015 New Delhi: The organization where Innovation holds the place of pride and is factored in every single strategic decision has been acclaimed by the top industry body, CII.

Recently, India's largest flexible packaging company has been conferred with the **CII Industrial Innovation Award 2015 in the 'Manufacturing-Large Enterprise' category.** The company has also ranked in **Top 25 innovative organizations declared by the Confederation of Indian Industry.**

The award ceremony was recently held in the National Capital. CII Industrial Innovation Awards mark the recognition & celebration of innovative Indian Enterprises across industry segments. These awards encourage innovation and business growth besides recognizing innovation excellence on the global turf. These awards acknowledge innovation in processes, products and services alike that have fuelled growth through new ideas and approaches along with tangible results in the preceding years. CII Industrial Innovation Awards are a testament to Indian Industry's brightest stars and top innovative organizations in the country.

Mr. Ashok Chaturvedi, Chairman and Managing Director, Uflex Limited in an official statement said "It is a defining moment for Uflex to have been awarded for innovation by none other than the loudest voice in the industry—The 'Confederation of Indian Industry'. Innovation to create differentiation is a way of life at my organization. We relentlessly innovate to bring out the best flexible packaging solutions to the strategic advantage of our clients spread across the globe. This coupled up with 'Speed to market reach' and 'proximity to customers' further lend that competitive edge to us. We will continue to delight all stakeholders by adding value in everything we do."
