"Q2 FY27 highlighted the importance of content with theatrical audiences, a combination of major releases, drew strong footfalls and sleeper hits that exceeded expectations, alongside films that struggled to connect with viewers. This reinforces the importance of content diversity and audience word-of-mouth in shaping box office performance," said Rajesh Mishra, Executive Director and Group CEO. "UFO Moviez delivered strong performance in advertisement revenues and product sales during the quarter. Our partnership with DCDC also opens avenues to expand the delivery of Indian content across North America. Together, these developments reinforce our focus on strengthening our core businesses and pursuing new growth opportunities across the cinema value chain."
