Dear Sir/Madam,

Sub.: Submission of Financial Results for the quarter ended September 30, 2025

This is in response to the query raised on **January 12, 2026**, seeking clarification regarding the "**Financial results submitted in XBRL with discrepancies-Figures of Total Income in XBRL is not matching with PDF (Standalone and Consolidated).**"

"Historically, the Company has presented **EBITDA** separately and, accordingly, **Finance Income** is disclosed distinctly on the face of the **Statement of Profit and Loss**, rather than being grouped under "Other Income." This presentation is adopted as it provides a clearer and more detailed view of the Company's financial performance and assists stakeholders in understanding the sources of income and the impact of financing activities.

This method enhances the **comparability and comprehensibility** of the financial statements and is in line with the disclosure practices outlined in the **Guidance Note on Division II – Ind AS Schedule III of the Companies Act, 2013**.

We acknowledge that the **XBRL (Extensible Business Reporting Language)** format used for regulatory filing follows a **predefined taxonomy**, which may not provide for a separate classification of Finance Income and instead includes it under the broader heading of "**Other Income**." While there may be a difference in presentation due to format limitations, we confirm that the **underlying financial data is consistent and accurate** across both the published and XBRL formats."

This is for your information and records.

Thanking you.

Yours truly,

For **UFO Moviez India Limited**
