NOTES:

1. The above standalone and consolidated results of UFO Moviez India Limited ('the Company') and its subsidiaries, associates and joint ventures (collectively referred to as "the Group") have been reviewed by Audit Committee of the board and taken on record at the Meeting of the Board of Directors held on 26 May, 2016.
The standalone and consolidated financial results for the quarter ended 31 March, 2016 are balancing figure between audited figures in respect of audited financial statements for the year ended 31 March, 2016 and unaudited published year to date figures Nine months period ended 31 December, 2015.
The standalone and consolidated financial results for the quarter ended 31 March, 2015 are balancing figure between audited figures in respect of audited financial statements for the year ended 31 March, 2015 and Nine months period ended 31 December, 2014.
2. The Group is engaged primarily in the business of Digital Cinema Services and the financial results reflect the result of this business segment, which is the primary segment in accordance with the requirement of Accounting Standard 17 on Segment Reporting.
3. During the quarter ended 31 March, 2016 the Company allotted 1,315,027 Equity Shares of Rs. 10/- each to employees upon exercise of options under the Employee Stock Option Scheme 2006 and Employee Stock Option Scheme 2010.
4. During the quarter ended 31 December, 2015, the Company has received an order from the Commissioner of Service Tax Mumbai ('the Order') which includes demand for following matters aggregating to Rs 4,665 lakhs, excluding interest and penalty,
a) Rs. 2,464 lakhs, excluding interest and penalty, for service tax on rentals from leasing of Digital Cinema Equipments for the period April 2008 to March 2014. Based on legal opinion obtained, the Company believes that the lease rental revenues are subject to state-wise Value Added Tax which the Company is paying since the beginning of operations. Accordingly, the Company believes that its position will likely be upheld in the appellate process and that it is unlikely that the liability will arise to the Company out of this
b) Rs. 2,201 lakhs, excluding interest and penalty, on account of disallowance of CENVAT Credit on Capital Goods (Digital Cinema Equipments) claimed by the Company for the period April 2008 to March 2014 as the possession of the equipments is not with the Company. Based on legal opinion obtained, the Company is of the view that these equipments are used for providing taxable output services and hence should be entitled to avail CENVAT credit and is therefore contesting this demand. The Company believes that its position is likely to be upheld in the appellate process and accordingly no provision has been considered necessary in these financial results. The statutory auditors have included a matter of emphasis paragraph in their audit report on the results for this quarter and for the year ended 31 March, 2016.
5. The total managerial remuneration for the year in respect of managing director and joint managing director, (after including perquisite value of employees stock options of the Company exercised by them during the year as determined as per Income Tax Act, 1961) is in excess of the limits specified under section 197 read with schedule V of the Act by Rs. 1,582.71 lakhs.
The definition of managerial remuneration as per the provisions of erstwhile Companies Act, 1956 which was prevailing during the time when the managing director and joint managing director were appointed or during the time when employee stock options were granted to them did not include the employee stock option perquisite value as part of managerial remuneration. Also the employees stock options were granted to these directors at the then fair market value and as such the Company was not required to account for any expense during the period of the vesting on account of grant of these employee stock options. However as per the provisions of Companies Act, 2013 which has been made effective from 1 April, 2014 the definition of managerial remuneration is amended to include value of perquisites as per Income Tax Act, 1961 and as a result the perquisite value of employee stock options which is the difference between the exercise price of the employee stock options and the market price of the shares on the date of exercise of the options, though notional in nature is required to be considered in the definition of managerial remuneration.
Given that this amount has not been paid or incurred by the Company during the year or previous years and accordingly, it is not a perquisite paid in cash. Hence, subsequent to the year end, the Company is in the process of filing application to the Central Government for the waiver of this excess remuneration. Pending the approval from the Central Government no adjustments have been made to the financial statements. The statutory auditors have included a matter of emphasis paragraph in their audit report on the results for this quarter and for the year ended 31 March, 2016.
6. During the quarter ended 31 March, 2016 the Company and the Group has reclassified other operating income hitherto reported with net sales/income from operations as a separate line item. This represents write back of excess provision for expense recorded in prior years which are no longer payable and miscellaneous operating income.
The other operating income for the quarter ended 31 March, 2016 includes write back of excess provision for warranty of Rs. 288.36 lakhs on certain equipments in respect of one of subsidiary for the period from April 2011 to March 2015.
7. The Board of Directors have recommended for the approval of Members a final dividend of Rs. 3/- (30%) per equity share of Rs. 10/- each for the financial year 2015-16. The Company had paid an interim dividend of Rs. 5/- (50%) per equity share of Rs. 10/- each for the financial year 2015-16 in March 2016. Accordingly, the total dividend declared by the Company for the financial year 2015-16 is Rs. 8/- (80%) per equity share of Rs. 10/- each.
8. Subsequent to the year end, the Company has settled ongoing dispute in relation to patent issue by entering into definitive agreement with Real Image Media Technologies Private Limited on 9 May, 2016, which does not have a material impact on the financial results.
9. This statement is as per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
10. Previous year/period figures have been regrouped / reclassified, where necessary, to conform to current period classification.
