Dear Sir/ Madam,

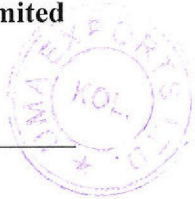

Ref: Clarification mail dated June 1, 2022

With regard to the clarification sought on financial results of the Company for the quarter and year ended March 31, 2022, the following may be noted:

1. With regard to the delay in filing of results beyond 30 minutes from the conclusion of the Board meeting, please note that while uploading the results, the NEAPS was responding slow. After upload at around 7.26 pm the same was not reflecting. Thus, we tried to upload again and the same was uploaded at around 7.35 pm. If you see the Corporate Announcement page of the Company on NSE site, the outcome of Board meeting is appearing twice. It may also be noted that the Results were uploaded on BSE at 7.26 pm.
2. With regard to the non-submission of Standalone Profit and Loss Statement, please note that the signed scan copy of Consolidated Profit and Loss page of the Results for the quarter and financial year ended March 31, 2022, were scanned twice due to sheer error. Upon finding the mistake, we have immediately rectified the same vide our letter dated May 24, 2022. The same is also appearing on the Corporate Announcement page of the Company on NSE site.

Yours faithfully

For Uma Exports Limited
