United Drilling Tools Limited - Exposure to International Market

New Delhi, March 11, 2022 United Drilling Tools Ltd. (UDTL) (BSE - 522014, NSE - UNIDT) is pleased to inform that we have appointed a reputed Marketing Associates and Representatives to promote our product portfolio for oil exploration and completion equipments in **Kuwait & United Arab Emirates (UAE)**.

This representation will open opportunities for UDTL to expand its market base in

1. **Kuwait**, where major state E&P company KOC, Kuwait Oil Company has a strong presence. We understand that about 2000 no of wells are under planning for next 5 years & KOC is drilling almost 400 new wells every year.
2. **United Arab Emirates (UAE)** : The Abu Dhabi National Oil Company or ADNOC is the state-owned oil company of the United Arab Emirates. It is the world's 12<sup>th</sup> largest oil company by production. As of 2021, the company has an oil production capacity exceeding 4 million bpd with plans to increase to 5 million bpd by 2030. ADNOC is the largest drilling company in the Middle East, and has drilled more than 6,200 wells. Adnoc has total 99 number of operational rigs & total well delivered is 10,000. The target is for another 1000 wells by 2030.

The market size for our range of products is about 250 Cr per annum in Kuwait & 200 Cr per annum in UAE. Thus, we have a strong chance of increasing our market share & profitability from these markets.

We are also pleased to inform that in 2021, we have registered ourselves with major global service providers such as Halliburton, Schlumberger, Baker Hughes. This registration has facilitated us to get enquiries across their global offices. Within short span of our registration, we have received some good number of development orders & executed. More enquiries from these global companies are in pipeline which will result in good size of order book for us.

About The Company

UDTL has been manufacturing & supplying equipments used in the Oil & Gas Sector. Our Product portfolio comprises of Connectors, Casing pipes with connectors, Stabilizers and Artificial Lift equipment amongst others. Through these Marketing Representatives, UDTL will get orders from International market while Tenders are submitted to **Global Giants** in the Oil and Gas Sectors.

Striding successfully since 1985, based out of Noida, Uttar Pradesh, India, UDT is a Worldwide Leader in Connector Technology. UDTL is a leading Manufacturer of Wire line & well service equipment, Gas lift equipment, Downhole Tools and large OD casing connector in the world. All the equipments can be supplied with most reliable

designs and quality and are very competitively priced as compared to other suppliers. United Drilling Tools Limited is dedicated to manufacture high-quality products of field-proven test designs in conformity with international standards as per ISO 9001-2015, ISO 14001-2015, ISO 45001-2018 & API standards (API license No. 5CT-0565, 5L-0424, 7-1-0393, 19G1-0008,19G2-0010).

As of today UDTL has 13 design patents registered, of which 8 patents are registered in India while 5 are registered in UK. Further 5 registrations are awaited. UDTL has 20 registered trademarks while we have also applied for 9 patents.
