"The longer it takes for OPEC+ to announce an extraordinary meeting to vote on the extra barrels, the more it implies other OPEC+ member may also want increases to their baseline quota," said Bob Yawger, director of energy futures at Mizuho in New York, noting reports Iraq was seeking to increase its baseline.

OPEC+, which groups the Organization of the Petroleum Exporting Countries with Russia and other producers, had earlier failed to agree after the UAE sought a higher baseline for measuring its output cuts.

INDIA Insurance has announced a 20% increase in the number of participating producers for the 2020-21 season. The company said it has recently declared a 20% higher commission for participating producers and 4.6 lakh

customers, whose policies are in force as of March 31, 2021, will be benefiting from this bonus.

Policyholder bonus is the share of profits generated by the company's participating funds which is paid to the customers at various benefit events.
