NSE Symbol: UNITECH and BSE Script Code: 507878

Dear Sirs,

This is to inform you that the Board of Directors, in its meeting held today, i. e. on November 7, 2015, has *inter alia* approved the Unaudited Standalone as well as Unaudited Consolidated Financial Results of the Company for the 2nd quarter ended on September 30, 2015. The results along with Press Release in this regard are enclosed herewith.

Further, copies of Limited Review Reports issued by the Statutory Auditors of the Company are also enclosed.

This is for your information, record and compliance under applicable clauses of the Listing Agreement.

Thanking you,

Yours truly,
For **Unitech Limited**

The Board of Directors,
Unitech Limited

Limited Review Report

1. We have reviewed the accompanying statement of unaudited Consolidated financial results for the quarter and half year ended 30th September, 2015 **("the statement")** of Unitech Limited **("the company"),** its subsidiaries, associates and joint ventures **(collectively referred to as the "Group")** except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding', which have been traced from disclosures made by the management and have not been reviewed by us. This statement is the responsibility of the company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "review of interim financial information performed by the independent auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express an audit opinion.

3. *(a) Advances amounting to ₹ 61,304.83 Lacs (previous year ended on 31st March 2015 ₹ 85,364.32 Lacs) is outstanding in respect of advances for purchase of land, projects pending commencement, joint ventures and collaborators which, as represented by the management, have been given in the normal course of business to land owning companies, collaborators, projects and for purchase of land. However, considering that some of these advances are outstanding / unadjusted for long periods of time, we are unable to ascertain whether all these advances are fully adjustable / recoverable. Accordingly, we are unable to ascertain the impact, if any, on the statement that may arise in case any of these remaining advances are subsequently determined to be doubtful of recovery. Our opinion on financial statements for the year ended 31st March, 2015, was also qualified in respect of this matter.*

(b) An amount of ₹153,891.32 lacs is outstanding as at 30th September 2015 in the Statement of Assets and Liabilities which is comprised of trade receivables pertaining to sale of land, properties, finished goods, commercial plots/ properties of various kinds. Some of these balances are outstanding for a significantly long period of time. The management has explained that such long overdue outstanding's have arisen in the normal course of business from transactions with customers / various parties based on contractual terms. Management had obtained balance confirmation in respect of significant portion of the outstanding amounts as at 31st March 2015. The management, based on internal assessments and evaluations, possible recoveries from securities (registered or unregistered) have represented that the entire outstanding trade receivables balance outstanding are still recoverable/ adjustable and that no accrual for diminution in value of trade receivables is necessary as at 30th September,2015. They are confident of appropriately adjusting / recovering significant portions of the remaining outstanding balance of such amounts

GOEL GARG & CO.

in the foreseeable future. However, we are unable to ascertain whether all of the long overdue outstanding trade receivables, are fully recoverable / adjustable since the outstanding balances as at balance sheet date are outstanding / remained unadjusted for a long period of time. Based on our assessment and audit procedures performed as well as cumulative audit knowledge in respect of the Company and past experience, in our opinion, trade receivables amounting to ₹ 14231.92 lacs are either bad or doubtful and consequently, management ought to provide/accrue for the diminution for these balances. Had the management provided / accrued for the diminution in value of the said trade receivables, the carrying value of the trade receivables as well as the net worth of the Company would have been lower by ₹ 14231.92 lacs. Further, the loss for the quarter ended 30th September 2015 would have been higher by ₹ 14231.92 lacs and the reserves and surplus would have been lower by ₹ 14231.92 lacs.

(c) *An amount of ₹19,629.35 lacs is included as at 30th September 2015 in the Statement of Assets and Liabilities under Other Current Assets which is the cost incurred under project in progress (carrying value) pertaining to certain cancelled projects. The management has explained that they are evaluating all the possible recourses available to them to recover all costs incurred under project in progress for the said projects in the normal course of business. The management, based on internal assessments and evaluations, have represented that the entire cost incurred under project in progress of said projects are still recoverable / adjustable and that no write-off or accrual for diminution in value of project in progress is necessary as at 30th September,2015. However, we are unable to ascertain whether all of the cost incurred under project in progress pertaining to these cancelled projects, are fully recoverable / adjustable and there is significant uncertainty in this respect. Based on*

our assessment and audit procedures performed as well as cumulative audit knowledge in respect of the Company and past experience, in our opinion, cost incurred under project in progress pertaining to these cancelled projects amounting to ₹ 19,629.35 lacs are doubtful of recovery and consequently, management ought to provide/accrue for the write-off or diminution for these balances, as expected loss on these projects. Had the management provided / accrued for the diminution in value of the said project in progress, the carrying value of the project in progress as well as the net worth of the Company would have been lower by ₹19,629.35 lacs. Further, the loss for the quarter ended 30th September 2015 would have been higher by ₹ 19,629.35 lacs and the reserves and surplus would have been lower by ₹ 19,629.35 lacs.

4. Based on our review conducted as above, *subject to our observation in the preceding paragraphs*, nothing further has come to our notice that causes us to believe that the accompanying statement, prepared in accordance with the Accounting Standards specified under section 133 of the companies Act, 2013, read with Rule 7, of the Companies (Accountants) Rules, 2014 and other accounting principal generally accepted in India, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Without qualifying our opinion, we draw attention to the following:
   a) No adjustment has been considered necessary for recoverability of investments in share capital / projects aggregating to ₹2,768.39 Lacs (Previous year ended on 31st March 2015 ₹2,772.57 Lacs) as the matters are still sub-judice and the

impact, if any, is unascertainable at this stage. Our review report is not qualified in respect of this matter;

b) In respect of unaudited consolidated financial results for the quarter ended 30th September, 2015, we did not review the financial results of some of the consolidated entities, included in the statement, whose financial results reflect total revenues of ₹18,166.93 Lacs and net loss of ₹2,973.46 Lacs for the quarter ended 30th September, 2015 and financial statement reflect total assets of ₹1,627,596.72 Lacs of those financials for the quarter and half year ended as at 30th September 2015. These financial results have been reviewed by other auditors whose reports have been furnished to us and our report in respect thereof is based solely on the report of such other auditors.

c) The statement includes the un-reviewed financial results of some subsidiaries and joint ventures which reflect total revenues of ₹606.73 Lacs and net loss of ₹113.44 Lacs for the quarter ended 30th September, 2015 and financial statement reflect total assets of ₹376,842.02 Lacs of those financials for the quarter and half year ended as at 30th September 2015. The financial results of such entities have been certified by management.

UNITECH LIMITED GURGAON

Notes:

I	The above Financial Results (prepared on consolidated basis) have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on 7th November, 2015 and the statutory auditors have carried out the Limited Review of the said Consolidated Financial Results.
II	Advances for the purchase of land, projects pending commencement, to joint ventures and collaborators amounting to ₹61,304.83 Lacs (previous year ending on 31st March, 2015 - ₹85,364.32 Lacs) have been given in the normal course of business to land owning companies, collaborators, projects and for purchase of land. The management of the company based on the internal assessment and evaluations considers that these advances, which are in the normal course of business are recoverable/adjustable and that no provision is necessary at this stage. Further, significant portion has already been adjusted/ recovered during the previous years as well as during the current quarter and the management is confident of recovering/ appropriately adjusting the balance in due course.
III	The limited review report of statutory auditor on the financial statements of Unitech Limited its subsidiaries, associates and joint ventures (collectively referred to as the "Group")for the quarter ended 30th September, 2015 contains following qualifications which is being summarized below:- *"An amount of ₹153,891.32 lacs is outstanding as at 30th September 2015 in the Statement of Assets and Liabilities which is comprised of trade receivables pertaining to sale of land, properties, finished goods, commercial plots/ properties of various kinds. Some of these balances are outstanding for a significantly long period of time. The management has explained that such long overdue outstanding's have arisen in the normal course of business from transactions with customers / various parties based on contractual terms. Management had obtained balance confirmation in respect of significant portion of the outstanding amounts as at 31st March 2015. The management, based on internal assessments and evaluations, possible recoveries from securities (registered or unregistered) have represented that the entire outstanding trade receivables balance outstanding are still recoverable/ adjustable and that no accrual for diminution in value of trade receivables is necessary as at 30th September,2015. They are confident of appropriately adjusting / recovering significant portions of the remaining outstanding balance of such amounts in the foreseeable future. However, we are unable to ascertain whether all of the long overdue outstanding trade receivables, are fully recoverable / adjustable since the outstanding balances as at balance sheet date are outstanding / remained unadjusted for a long period of time. Based on our assessment and audit procedures performed as well as cumulative audit knowledge in respect of the Company and past experience, in our opinion, trade receivables amounting to ₹ 14231.92 lacs are either bad or doubtful and consequently, management ought to provide/accrue for the diminution for these balances. Had the management provided / accrued for the diminution in value of the said trade receivables, the carrying value of the trade receivables as well as the net worth of the Company would have been lower by ₹ 14231.92 lacs. Further, the loss for the quarter ended 30th September 2015 would have been higher by ₹ 14231.92 lacs and the reserves and surplus would have been lower by ₹ 14231.92 lacs."* Management has evaluated this matter and is of the firm view based on internal evaluation of each transaction, management does not envisage any loss on account of realization from trade receivables. Further improvement in real estate sector these trade receivables will be realized in full in due course and accordingly no provision other than those already accounted for, has been considered necessary. *"An amount of ₹19,629.35 lacs is included as at 30th September 2015 in the Statement of Assets and Liabilities under Other Current Assets which is the cost incurred under project in progress (carrying value) pertaining to certain cancelled projects. The management has explained that they are evaluating all the possible recourses available to them to recover all costs incurred under project in progress for the said projects in the normal course of business. The management, based on internal assessments and evaluations, have represented that the entire cost incurred under project in progress of said projects are still recoverable / adjustable and that no write-off or accrual for diminution in value of project in progress is necessary as at 30th September,2015. However, we are unable to ascertain whether all of the cost incurred under project in*

UNITECH LIMITED GURGAON

	progress pertaining to these cancelled projects, are fully recoverable / adjustable and there is significant uncertainty in this respect. Based on our assessment and audit procedures performed as well as cumulative audit knowledge in respect of the Company and past experience, in our opinion, cost incurred under project in progress pertaining to these cancelled projects amounting to ₹ 19,629.35 lacs are doubtful of recovery and consequently, management ought to provide/accrue for the write-off or diminution for these balances, as expected loss on these projects. Had the management provided / accrued for the diminution in value of the said project in progress, the carrying value of the project in progress as well as the net worth of the Company would have been lower by ₹19,629.35 lacs. Further, the loss for the quarter ended 30th September 2015 would have been higher by ₹ 19,629.35 lacs and the reserves and surplus would have been lower by ₹ 19,629.35 lacs." Management on the basis of internal assessment and evaluation, in view of the legal recourse being initiated for the cancelled projects, all efforts being made to recover all the cost incurred along with interest thereon. Accordingly, at this stage no provision has been considered necessary.
IV	The segment results have been prepared in accordance with the accounting principles laid down under Accounting Standard - 17 on 'Segment Reporting'.
V	Pursuant to Clause 41 of the Listing Agreement, the Company has opted to publish only the consolidated financial results. The said consolidated financial results present the results of the business operations of the Company, its subsidiaries, joint ventures and associates. Investors can view the standalone results of the Company on its website (www.unitechgroup.com) or on the websites of BSE Limited (www.bseindia.com) and National Stock Exchange of India Limited (www.nseindia.com).
VI	The above consolidated results have been prepared in accordance with the principles and procedures as set out in the Accounting Standard - 21 on 'Consolidated Financial Statements', Accounting Standard - 27 on 'Financial reporting of interests in Joint Ventures' and Accounting Standard - 23 on 'Accounting for Investments in Associates in Consolidated Financial Statements'.
VII	The figures of previous periods have been re-grouped/re-arranged wherever considered necessary for the purposes of comparison.

The Board of Directors,

Unitech Limited

Limited Review Report

1. We have reviewed the accompanying statement of unaudited standalone financial results for the quarter and half year ended 30th September, 2015 ("the statement") of Unitech Limited ("the company") except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding', which have been traced from disclosures made by the management and have not been reviewed by us. This statement is the responsibility of the company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "review of interim financial information performed by the independent auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists principally of applying analytical procedures for financial data and making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with the generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express an audit opinion.

3.(a) *Advances amounting to ₹ 48,417.62 Lacs (previous year ended on 31st March 2015 ₹ 72,427.11 Lacs) is outstanding in respect of advances for purchase of land, projects pending commencement, joint ventures and collaborators which, as represented by the management, have been given in the normal course of business to land owning companies, collaborators, projects and for purchase of*

UNITECH LIMITED GURGAON

GOEL GARG & CO. CHARTERED ACCOUNTANTS NEW DELHI

sorts. However, considering that some of these advances are outstanding / unadjusted for long periods of time, we are unable to ascertain whether all these advances are fully adjustable / recoverable. Accordingly, we are unable to ascertain the impact, if any, on the statement that may arise in case any of these remaining advances are subsequently determined to be doubtful of recovery. Our opinion on financial statements for the year ended 31st March, 2015 was also qualified in respect of this matter.

(b) *According to information available and explanations obtained, in respect of non-current investments (long term investments) in, and loans and advances given to, some subsidiaries, it has been observed from the perusal of financial statements of these subsidiaries that the subsidiaries have accumulated losses and their net worth have been fully / substantially eroded. Further that, these subsidiaries have incurred net loss during the current and previous year(s) and, current liabilities of these subsidiaries exceeded their current assets as at the respective balance sheet dates. These conditions, along with absence of clear indications or plans for revival, in our opinion, indicate that there is significant uncertainty and doubt about the recovery of the loans and advances from these subsidiaries. Further, that there is a clear indication that there is a decline in the carrying amount of these investments which is other than temporary.*

Consequently, in terms of stated accounting policies and applicable accounting standards, diminution in the value of investment which is other than temporary amounting to ₹ 15,761.31 lacs (Previous year ended 31st March 2015 ₹10,025.90 lacs) and an accrual for diminution of doubtful debts and advances amounting to ₹17,789.38 lacs (Previous year ended 31st March 2015 ₹179.31 lacs) need be accounted for. Management is however of the firm view that the diminution is only temporary and that sufficient efforts are being undertaken to revive the said subsidiaries. However, in the absence of significant developments in the operations of the investee companies, and any adjustment for diminution of

carrying value of such investments, in this regard, in our opinion, management has not adequately or sufficiently accounted for the above mentioned diminution. Had management accounted for such diminutions, the loss for the quarter ended 30th September 2015 would have been higher by ₹23311.99 lacs. Consequently, non-current investment in and loans and advances given to and reserves are overstated to the extent of ₹33,550.69 lacs. Our opinion on financial statements for the year ended 31st March, 2015 was also qualified in respect of this matter.

(c) An amount of ₹113,366.19 lacs is outstanding as at 30th September 2015 in the Statement of Assets and Liabilities which is comprised of trade receivables pertaining to sale of land, properties, trading goods, finished goods, commercial plots/ properties of various kinds. Some of these balances are outstanding for significantly long periods of time. The management has explained that such long overdue outstanding's have arisen in the normal course of business from transactions with customers / various parties based on contractual terms. Management had obtained balance confirmation in respect of significant portion of the outstanding amounts as at 31st March 2015. The management, based on internal assessments and evaluations, possible recoveries from securities (registered or unregistered) have represented that the entire outstanding trade receivables balance outstanding are still recoverable/ adjustable and that no accrual for diminution in value of trade receivables is necessary as at 30th September, 2015. They are confident of appropriately adjusting / recovering significant portions of the remaining outstanding balance of such amounts in the foreseeable future. However, we are unable to ascertain whether all of the long overdue outstanding trade receivables, are fully recoverable / adjustable since the outstanding balances as at balance sheet date are outstanding / remained unadjusted for a long period of time. Based on our assessment and audit procedures performed as well as cumulative audit knowledge in respect of the Company and past experience, in our opinion, trade receivables amounting to ₹

UNITECH LIMITED GURGAON

GOEL GARG & CO. CHARTERED ACCOUNTANTS NEW DELHI

14,231.92 lacs are either bad or doubtful and consequently, management ought to provide/accrue for the diminution for these balances. Had the management provided / accrued for the diminution in value of the said trade receivables, the carrying value of the trade receivables as well as the net worth of the Company would have been lower by ₹ 14,231.92 lacs. Further, the loss for the quarter ended 30th September 2015 would have been higher by ₹ 14,231.92 lacs and the reserves and surplus would have been lower by ₹ 14,231.92 lacs.

4. Based on our review conducted as above, *subject to our observation in the preceding paragraphs*, nothing further has come to our notice that causes us to believe that the accompanying statement, prepared in accordance with the applicable Accounting Standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 read with Rule 7 of the Companies (Accounts) Rules, 2014 in respect of Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to the following:

(a) No adjustment has been considered necessary for recoverability of investments in share capital / projects aggregating to ₹ 2,768.39 Lacs (Previous year ended on 31st March 2015 ₹ 2,772.57 Lacs) as the matters are still sub-judice and the impact, if any, is unascertainable at this stage. Our review report is not qualified in respect of this matter;

UNITECH LIMITED GURGAON

Notes:

I	The above Financial Results (prepared on standalone basis) have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on 7th November, 2015 and the statutory auditors have carried out the Limited Review of the said Standalone Financial Results.
II	The company is primarily in the business of real estate development and related activities including construction, consultancy and rentals etc. Further most of the business conducted is within the geographical boundaries of India. Accordingly, the company's business activities primarily represent a single business segment and the company's operations in India represent a single geographical segment.
III	Advances for the purchase of land, projects pending commencement, to joint ventures and collaborators amounting to ₹48,417.63 Lacs (previous year ending on 31st March, 2015 - ₹72,427.11 Lacs) have been given in the normal course of business to land owning companies, collaborators, projects and for purchase of land. The management of the company based on the internal assessment and evaluations considers that these advances, which are in the normal course of business are recoverable/adjustable and that no provision is necessary at this stage. Further, significant portion has already been adjusted/ recovered during the previous years as well as during the current quarter and the management is confident of recovering/ appropriately adjusting the balance in due course.
IV	The limited review report of statutory auditor on the financial statements of Unitech Limited for the quarter ended 30th September, 2015 contains following qualifications which is being summarized below:- *"According to information available and explanations obtained, in respect of non-current investments (long term investments) in, and loans and advances given to, some subsidiaries, it has been observed from the perusal of financial statements of these subsidiaries that the subsidiaries have accumulated losses and their net worth have been fully / substantially eroded. Further that, these subsidiaries have incurred net loss during the current and previous year(s) and, current liabilities of these subsidiaries exceeded their current assets as at the respective balance sheet dates. These conditions, along with absence of clear indications or plans for revival, in our opinion, indicate that there is significant uncertainty and doubt about the recovery of the loans and advances from these subsidiaries. Further, that there is a clear indication that there is a decline in the carrying amount of these investments which is other than temporary.* *Consequently, in terms of stated accounting policies and applicable accounting standards, diminution in the value of investment which is other than temporary amounting to ₹ 15,761.31 lacs (Previous year ended 31st March 2015 ₹10,025.90 lacs) and an accrual for diminution of doubtful debts and advances amounting to ₹17,789.38 lacs (Previous year ended 31st March 2015 ₹179.31 lacs) need be accounted for. Management is however of the firm view that the diminution is only temporary and that sufficient efforts are being undertaken to revive the said subsidiaries. However, in the absence of significant developments in the operations of the investee companies, and any adjustment for diminution of carrying Value of such investments, in this regard, in our opinion, management has not adequately or sufficiently accounted for the above mentioned diminution. Had management accounted for such diminutions, the loss for the quarter ended 30th September 2015 would have been higher by ₹23311.99 lacs. Consequently, non-current investment in and loans and advances given to and reserves are overstated to the extent of ₹33,550.69 lacs. Our opinion on financial statements for the year ended 31st March, 2015 was also qualified in respect of this matter."* Management has evaluated this matter and is of the firm view that the diminution, if any, even if it exists, is only temporary and that sufficient efforts are being undertaken to revive the said subsidiaries in the foreseeable future so as to recover carrying value of the investment. Further, management believes that the loans and advances given to these companies are considered good and recoverable based on the future projects in these subsidiaries and accordingly no provision other than those already accounted for, has been considered necessary.

UNITECH LIMITED GURGAON

	"An amount of ₹113,366.19 lacs is outstanding as at 30th September 2015 in the Statement of Assets and Liabilities which is comprised of trade receivables pertaining to sale of land, properties, trading goods, finished goods, commercial plots/ properties of various kinds. Some of these balances are outstanding for significantly long periods of time. The management has explained that such long overdue outstanding's have arisen in the normal course of business from transactions with customers / various parties based on contractual terms. Management had obtained balance confirmation in respect of significant portion of the outstanding amounts as at 31st March 2015. The management, based on internal assessments and evaluations, possible recoveries from securities (registered or unregistered) have represented that the entire outstanding trade receivables balance outstanding are still recoverable/ adjustable and that no accrual for diminution in value of trade receivables is necessary as at 30th September, 2015. They are confident of appropriately adjusting / recovering significant portions of the remaining outstanding balance of such amounts in the foreseeable future. However, we are unable to ascertain whether all of the long overdue outstanding trade receivables, are fully recoverable / adjustable since the outstanding balances as at balance sheet date are outstanding / remained unadjusted for a long period of time. Based on our assessment and audit procedures performed as well as cumulative audit knowledge in respect of the Company and past experience, in our opinion, trade receivables amounting to ₹ 14,231.92 lacs are either bad or doubtful and consequently, management ought to provide/accrue for the diminution for these balances. Had the management provided / accrued for the diminution in value of the said trade receivables, the carrying value of the trade receivables as well as the net worth of the Company would have been lower by ₹ 14,231.92 lacs. Further, the loss for the quarter ended 30th September 2015 would have been higher by ₹ 14,231.92 lacs and the reserves and surplus would have been lower by ₹ 14,231.92 lacs." Management on the basis of internal assessment and evaluation, in view of the legal recourse being initiated for the cancelled projects, all efforts being made to recover all the cost incurred along with interest thereon. Accordingly, at this stage no provision has been considered necessary.
V	Management periodically undertakes physical verification of material lying at sites. Discrepancies which arose out of the ensuing reconciliation during the period have been adequately and appropriately adjusted/ accounted for.
VI	The figures of previous periods have been re-grouped/re-arranged wherever considered necessary for the purpose of comparison.

FINANCIAL RESULTS FOR THE QUARTER AND HALF YEAR ENDED 30th SEP'15
(CONSOLIDATED, UNAUDITED)

Total Income for the Half Year was Rs. 1141.22 Crores

Net profit (loss) after tax for the Half Year was Rs. -347.12 Crores

Total Income for the Quarter was Rs. 714.87 Crores

Net profit (loss) after tax for the Quarter was Rs. -65.83 Crores

Achieved sales bookings of 0.90 million sq ft valued at Rs. 524 Crores during H1FY16

Delivered 2.43 million sq ft of completed property during H1FY16

Gurgaon, 7th November 2015: Unitech, India's leading business group involved in large-scale integrated real-estate development and infrastructure projects today announced its consolidated financial results for the Quarter and Half year ended 30th September 2015. The company recorded a total income of Rs. 714.87 Crores for the Quarter ended 30th September 2015. Profit (Loss) after tax from ordinary activities for the same period stood at Rs. -65.83 Crores. For the half year ended 30th September 2015, total income was Rs. 1141.22 Crores and the Net profit (loss) after tax for the same period stood at Rs. -347.12 Crores.

The Earning per Share (EPS) for the half year ended 30th September 2015 stood at Rs. -1.33 on an equity base of Rs. 523.26 Crores. Total paid up capital is represented by 261.63 crore equity shares of Rs. 2 each.

Company's consolidated net debt as of 30th September 2015 was Rs. 6674 Crores. Net debt to equity ratio as of 30th Sep'15 was 0.63.

Announcing the results, Mr. Sanjay Chandra, Managing Director, Unitech Ltd. said, *" Increasing the pace of construction at our ongoing projects and accelerating the delivery of finished product are the key priorities for the company. Steps initiated to overcome the liquidity constraint have gradually started yielding results and should progressively ease the tight cash flow situation."*

He further added, "Demand for non-residential property continues to be robust. During the quarter, an approx.. 600,000 sqft retail mall named Gardens Galleria developed by the company in Noida became operational and is receiving strong response from clients. Enquiries for office space continue to flow in from both existing as well as new clients. These developments coupled with the improving macro-economic scenario make us sanguine with regard to the demand for residential property which has been sluggish for a while."

Key operational highlights for the quarter and half year ended 30th September 2015 are

- Achieved sales bookings of 0.90 million sq ft during H1
- Launched projects totaling an area of 0.96 million sq ft. during H1
- Residential sales bookings of 0.74 million sq ft valued at Rs. 384 Crores in H1
- Non-residential sales bookings of 0.16 million sq ft valued at Rs. 140 Crores in H1
- Total value of Sales bookings is Rs. 524 Crores during H1
- Delivered 2.43 million sq ft of completed area during H1
- Achieved sales bookings of 0.67 million sq ft during Q2
- Total value of Sales bookings is Rs. 345 Crores during Q2
