Dear Sirs,

The Office of Fair Trading ("OFT") in U.K. has today issued a press release announcing a decision from which we understand that the remedy being considered by the OFT to address the competition concerns arising from the acquisition by Diageo plc of its stake in United Spirits Limited is the disposal of the Whyte and Mackay business with the exception of the Dalmore and Tamnavulin distilleries, brands, maturing inventory and associated management and operations which will be retained. Whyte and Mackay Limited is an indirect wholly owned subsidiary of the Company. Full details of any remedy will be made available by the OFT shortly and will be subject to formal consultation.

The Board of United Spirits Limited will consider the OFT announcement and determine further course of action in this regard.

The OFT announcement is available on the OFT website at this link: http://oft.gov.uk/news-and-updates/press/2013/79-13

This communication may kindly be treated as compliance in terms of the applicable provisions of the Listing Agreement.

Thanking you,

Yours faithfully,
For UNITED SPIRITS LIMITED
