Sub: Fire at UPL Unit 5, Jhagadia – Further update

Dear Sir / Madam,

As regards the clarification sought by the Exchange, we would like to inform that there will be no material impact on revenues of the Company due to the fire incident that took place on 23rd February 2021 in one of the plants at Jhagadia site, which was shut for its planned annual boiler inspection. There are alternate sources available for the products that were manufactured in the said plant. The Company is also currently working on requisite steps to resume operations at other plants located at the same site.

As regards the damage, the Company has been able to get access to the entire site yesterday and is in the process of ascertaining the extent of damage. We would like to further state that the Company has adequate insurance in place to cover the damages at the plant.

Thanking you,

Yours faithfully,
For **UPL Limited**
