Subject: **Clarification on Discrepancy in XBRL Filing – Financial Results dated 15-Oct-2025**

Reg: NSE Email dtd 16th Jan 2026

Dear Sir,

This is with reference to your communication via email dtd 16th January 2026 regarding the Outcome of Board Meeting – Financial Results submitted to the Exchange on 15th October 2025 for Urja Global Limited, and the observation relating to discrepancies in the XBRL filing.

We wish to clarify that the financial results for the said period were duly approved and submitted on a quarterly basis in the prescribed formats. However, due to an inadvertent clerical error at the time of XBRL submission, the results were mistakenly tagged and filed on a half-yearly basis instead of quarterly for both Standalone and Consolidated financial results.

The said clerical oversight was inadvertent and unintentional. We assure your office our utmost care and diligence for future compliances.

We further inform you that corrected XBRL filings, reflecting the quarterly period appropriately for both Standalone and Consolidated results, submitted promptly through the NEAPS portal.

We assure you that adequate checks and controls have been strengthened to avoid recurrence of such discrepancies in future filings.

Kindly take the above clarification on record.

Thanking you

For URJA GLOBAL LIMITED
