Independent Auditor's Report on the Quarterly and Year to date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
M/s. Udayshivakumar Infra Limited

Report on the audit of the Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date Financial results of **Udayshivakumar Infra Limited** ("the Company") for the quarter ended March 31st, 2025 and for the year ended March 31st, 2025 ("Statement"), attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

1. is presented in accordance with the requirements of the Listing Regulations in this regard; and
2. gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India, of the net loss and other comprehensive income and other financial information of the Company for the quarter ended March 31, 2025 and for the year ended March 31, 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. –

Key Audit Matters	How our audit addressed the key audit matter
<i>1. Non-Current Trade Receivable</i>	
<p>The Amount is outstanding from the customers for reimbursement of GST. In the earlier tax regime (before GST) the company use to charge 4% VAT on the amount of service provided and was successfully able to recover the same from the customers without any default/denial. After the introduction of GST the rate of tax was changed to 12% w.e.f July, 2017. Company had entered into various contracts before July, 2017 in the pre-GST era. The work execution of these contracts was continued to be carried out the GST period, since the execution was taking a time period of 2 to 3 years. The Company while submitting the bills for the work done after the introduction of GST in July, 2017, started adding GST of 12% in the bill submitted for payment to the Government Departments but the Government Departments cleared only the basis amount of contract billed and did not paid the GST of 12% charged in the bills. However, there was no clear-cut instructions to the departments from the Government regarding the honouring the GST of 12% collected in the bills. So, the Government Departments started to hold the GST of 12% charged in the bills and were waiting for the instructions from the Government. The contractors' association looking to the injustice moved to honourable high court of Karnataka, now the case is pending before the Hon'ble High Court of Karnataka and there is bright chance of giving directions to the Government to pay GST on the works executed after the introduction of GST. Refer Note 5(a).</p>	<p>Our audit procedures related to the (1) Sustainability and Recoverability of Asset, (2) Requirement of ECL and (3), among others:</p> <p>We have reviewed the petition filed, order passed and understood the matter with the company and we are of the opinion that there are higher probability that the company will be able to recover the entire amount. We have also reviewed the judgement passed in the matter of Belgaum Smart City Ltd in which the GOI has reimbursed the 8% of the GST and matter is pending before the court for balance 4%.</p> <p>Since no significant increase in credit risk event has been occurred during the year we do not see any requirement of recognition of ECL on the Financial Asset.</p>
<i>2. Revenue recognition for long term construction contracts</i>	

<p>The Company's significant portion of business is undertaken through long term construction contracts which is in nature of engineering, procurement and construction basis.</p> <p>Revenue from these contracts, where the performance obligation satisfied over time, is recognized in proportion to the stage of completion of the contract. The stage of completion is assessed by reference to survey of work performed.</p> <p>Revenue recognition from these contracts involves significant degree of judgments and estimation including identification of contractual obligations, the Company's rights to receive payments for performance obligation completed till date which includes measuring and recognition of contract assets, change of scope and determination of onerous obligations which include estimation of contract costs.</p> <p>Revenue recognition is significant to the financial statements based on the quantitative materiality and nature of construction contracts involves significant judgements as explained above. Accordingly, we considered this as a key audit matter.</p>	<p>Our audit procedures included but were not limited to:</p> <ul style="list-style-type: none"> • Review the Company's revenue recognition accounting policy and assessed compliance of the policy in terms of Ind AS 115 - Revenue from Contracts with Customers. • Obtained an understanding of the Company's processes and controls for revenue recognition process, evaluated the design, and tested the operating effectiveness of the controls over revenue recognition with specific focus on determination of stage of completion, considering impact of change in scope and estimation of contract cost. • Performed test of details, on a sample basis, and read the underlying customer contracts for terms and conditions, verified underlying supporting used in the determination of stage of completion and other relevant supporting documents such as certified invoice from independent engineers of the customer, correspondence with customer etc. • Performed analytical audit procedures for analyzing project profitability over a period including for identification of low or negative margin project. Assess the level of provisioning required, if any for any loss/negative margin projects including for onerous obligations. • Performed additional procedures in respect of material yearend balance of contract assets i.e. tested basis of measuring of contract assets and certification from independent engineers in the subsequent to year end. • Assessed the relevant disclosures made by the company in accordance with Ind AS 115.
--	---

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's report, but does not include the financial statements and our auditors' report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net loss and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a

guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

(i) The accompanying statement of quarterly and year to date financial results include audited annual financial statements in respect of one joint operation (namely Udayshivakumar-Kotarki JV), where the Company's share in total net profit of Rs.4.82 lakhs for the quarter and year ended on that date respectively.

(ii) The Statement includes the results for the quarter ended March 31, 2025 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2025 and the published unaudited year-to-date figures up to the third quarter of the current financial year, which were subjected to a limited review by us, as required under the Listing Regulations.

(iii) Certain debit/credit balances including trade receivables, other current and non-current assets, trade payables, other financial liabilities and other current and non-current liabilities in the Company are pending independent confirmation and consequential reconciliation thereof.

(iv) The determination of the transactions with MSME vendors and balances thereof, have been done based on the certificate received from the respective parties as available from the system. In absence of complete reconciliation in this respect, completeness of the disclosures in respect of MSME vendors, interest liability thereon as per MSME Act, Income tax computations as such need to be ascertained.
