Sub: Commencement of Bulk Manufacturing of Wipers

Dear Sir/Madam,

Pursuant to Regulation 30(4) of SEBI (LODR) Regulation, 2015 Exchange is hereby informed that Company has started production of wipers for the replacement market. The company has finalized the deal and will soon get bulk schedule from M/s Minda Spark and Lumax industries which are one of the leading manufacturers of Automotive components in India. Such orders will result in a substantial increase in the production of the wiper segment at Company's Plant located at Plot No 287, 287 A & B, Sector 59, HSIIDC Industrial estate, Ballabgarh, Faridabad, Haryana- 121004. This embarks as a major step towards the growth plans of the Company.

Such event being material as per the Board of Directors of the Company thereby being published to Stock Exchange as required under Regulation 30(4) of SEBI (LODR) Regulation 2015

Please take note of the above

For Ultra Wiring Connectivity System Limited
