Sub: Reply to the Observations

With reference to the observations regarding

1. Financial results submitted in XBRL with discrepancies
(a) figures of half year ended September 30, 2025 submitted in XBRL instead of March 2026 (b) The mismatch in the Cash Flow Statement figures mentioned in XBRL and PDF
2. Financial results submitted is not as per the format prescribed by SEBI – Balancing Figures note is missing, we wish to submit the following:
 - 1(a) The figures for the half-year ended 30 September 2025 were inadvertently uploaded in the XBRL filing instead of the figures for the half-year ended 31 March 2026. The XBRL filing has now been corrected, and the figures for the half-year ended 31 March 2026 have been appropriately updated.
 - (b) The mismatch in the Cash Flow Statement figures between the XBRL filing and the PDF financial results has also been rectified. The Cash Flow Statement figures are now consistent and matched in both the XBRL filing and the PDF document.
2. The figures of the last half year are the balancing figures between audited figures in respect of the full financial year up to March 31, 2026 and March 31, 2025 and the unaudited published year-to-date figures up to September 30, 2025 and September 30, 2024 respectively, being the date of the end of the half year of the financial year which were subjected to limited review

Accordingly, the discrepancies have been corrected, and the revised submission is now in compliance with the prescribed SEBI format.

Thanking you
